Glock 26 Instruction Manual:

Glock Paul M. Barrett,2013-01-15 The Glock pistol is America s Gun It has been rhapsodized by hip hop artists and coveted by cops and crooks alike Created in 1982 by Gaston Glock the pistol arrived in America at a fortuitous time Law enforcement agencies had concluded that their agents and officers armed with standard six round revolvers were getting outgunned by drug dealers with semi automatic pistols they needed a new gun With its lightweight plastic frame and large capacity spring action magazine the Glock was the gun of the future You could drop it underwater toss it from a helicopter or leave it out in the snow and it would still fire It was reliable accurate lightweight and cheaper to produce than Smith and Wesson s revolver Filled with corporate intrigue political maneuvering Hollywood glitz bloody shoot outs and an attempt on Gaston Glock s life by a former lieutenant Glock is not only the inside account of how Glock the company went about marketing its pistol to police agencies and later the public but also a compelling chronicle of the evolution of gun culture in America

Blind to Midnight Reed Farrel Coleman,2024-08-13 When you re in trouble you call 911 When cops are in trouble they call Nick Ryan Every cop in the city knows his name but no one says it out loud He doesn t wear a uniform but he is the most powerful cop in New York Nick Ryan can find a criminal who s vanished Or make a key witness disappear He has cars safe houses money and weapons hidden all over the city Nearly three thousand New Yorkers died on 9 11 But in the entire city on that tragic day only one murder actually took place Now over two decades later Detective Nick Ryan must dig beneath the official report and into his own past to find the truth Working again for the mysterious power broker Joe Nick finds a link between an airman a billionaire a trove of Nazi gold and a crew of killers but gets sidetracked when his dear uncle Tony and Tony s wife are murdered in a professional hit Nick s investigations uncover a tangled web of corruption and blood money and as the horrifying truth emerges he finds himself outgunned on the run and trusting no one With professional killers on his trail will Nick Ryan be able to end the violence before he loses everything that matters to him including his own life

All Abraham's Children Armand L. Mauss,2010-10-01 All Abraham s Children is Armand L Mauss s long awaited magnum opus on the evolution of traditional Mormon beliefs and practices concerning minorities He examines how members of the Church of Jesus Christ of Latter day Saints have defined themselves and others in terms of racial lineages Mauss describes a complex process of the broadening of these self defined lineages during the last part of the twentieth century as the modern Mormon

church continued its world wide expansion through massive missionary work Mauss contends that Mormon constructions of racial identity have not necessarily affected actual behavior negatively and that in some cases Mormons have shown greater tolerance than other groups in the American mainstream Employing a broad intellectual historical analysis to identify shifts in LDS behavior over time *All Abraham's Children* is an important commentary on current models of Mormon historiography
