## **Family travel to Beijing**

Beijing is a good place to travel for educating youth to learn about Chinese culture, which combines their latest achievements with ancient history. As it is known to all, Beijing is the capital of China, which has been acting as the Chinese political, economic, cultural, and educational center for a long time. In addition, Beijing provides a wide range of modern and ancient places for family trips including the Beijing Great Wall, the Forbidden City, the Beijing Olympic Stadium, and Hou Hai Bar Street. ("Beijing Travel Guide")

If you want to learn about the Chinese history, come to visit Chinese ancient buildings first. Chinese buildings not only have their unique characteristics, but were also built for different purposes from each other. As time passes by, the Great Wall has become the symbol of China, since it played an important role of defending invasions through Chinese history. In fact, the purpose of construction of the Great Wall was to defensive the invader from the north of China hundreds years ago. It is said that the Great Wall is the only building that can be seen from outer space. It's really a fantastic place to travel for the youth, which let tourists feel the ancient Chinese

*Writing Philosophy Papers* Zachary Seech, Andrew Kania, 2024-08-28 This

sixth edition of Writing Philosophy Papers updates and expands one of the most popular guides to philosophical writing assignments for undergraduate students. Written in a clear straightforward style, the book covers everything from time management to the difference between i.e. and e.g. The heart of the book is devoted to how to write a thesis defense paper, with chapters on the structure of a strong paper, the process of writing and revising, matters of style and usage, and scholarly citation. This advice is illustrated with concrete examples throughout, including a complete thesis defense paper written and formatted according to the book's recommendations. The book also covers how to take good notes from various kinds of philosophical sources, how to write other commonly assigned kinds of papers, and how to study for and take a philosophy exam. A chapter on doing philosophical research contains practical advice on how to discover and access the most helpful sources for a philosophical research paper or annotated bibliography. Because virtually every philosophy assignment requires a basic grasp of arguments, the book ends with a chapter introducing some basic concepts and skills for reasoning well. The heart of the sixth edition has been revised and restructured to lead students even more clearly through the process of drafting, revising, and formatting a thesis defense paper. This new edition also includes an updated, completely revised and expanded chapter on citing sources, giving equal consideration to print and online sources; an updated, completely revised and expanded chapter on doing philosophical research, focused on how to find the most helpful sources for completing a philosophical research paper or annotated bibliography; updated, revised, and greatly expanded advice on writing style and usage; a completely revised and expanded treatment of good reasoning, with a new discussion of inductive and abductive reasoning; and new advice on how to take good notes and how to study for and take philosophy exams. **(Free Sample)**
