I just experienced possibly the very best customer service of all time. A few weeks ago, I accidentally left my beloved Warby Parker reading glasses on the Acela. Annoyed, I bought myself another, identical, pair the following day. Today I received an unexpected package containing not one, but two pair of those same reading glasses, a copy of "On The Road" by Jack Kerouac and the following note: "Hi Michael, This might be odd... but you sat across from me on the train ride from NYC to Boston a few weeks ago and left your glasses on the train! As luck would have it, I happen to be the GC of Warby Parker, and there is nothing I like more than a good mystery... I hope these find you in good health! (also, we noticed your lenses were scratched so we made you a fresh pair!) Sincerely, AK

I am so impressed! What a remarkable person and company. They have a customer for life!
