Great Sentences For Great Paragraphs Third Edition:

Academic Writing - Third Edition Janet Giltrow, 2002-03-21 Academic Writing is a unique introduction to the subject As the author puts it in her preface this book develops from a strong claim namely that style is meaningful In developing that theme the author draws meaningfully on theory especially genre theory while remaining grounded in the particular Giltrow presents and discusses examples of actual academic writing of the sort that students must learn to deal with daily and to write themselves As newcomers to the scholarly community students can find that community s ways of reading and writing mysterious unpredictable and intimidating Academic Writing demystifies the scholarly genres shedding light on their discursive conventions and on academic readers expectations and values Throughout Academic Writing respects the student writer it engages the reader s interest without ever condescending and it avoids the arbitrary and the dogmatic The book also offers abundant exercises to help the student develop techniques for working productively at each stage of the scholarly writing process mastering and summarizing difficult scholarly sources planning and revising to create good working conditions for the reader The third edition of Giltrow s extremely successful book incorporates extensive revisions that integrate the theoretical perspectives of genre theory into the whole of the book in a more organic fashion the changes are designed to make the book both more attuned to scholarly practice and more accessible to the undergraduate student Giltrow s Academic Reading is designed as an accompanying reader for Academic Writing
