

Zeus

Zeus was king of the gods on Mount Olympus, and the keeper of law and order. This sky and weather god was renowned for his weapon of choice: thunderbolts. He's associated with powerful, commanding symbols like eagles, bulls, and oak trees in addition to lightning.

The youngest son of the titans Cronus and Rhea, Zeus was essential to rescuing his five siblings, overthrowing Cronus, and starting the reign of the Olympians. Some say Zeus had many wives, with his sister Hera as the first one. He also had countless mortal and immortal lovers (and children!).

Everyone honored the king of the gods, both in public shrines and in private. Zeus was central to many myths and traditions, some of which are still prominent. The Olympic Games were founded in his honor!

His Roman mythology equivalent is Jupiter.
