

Green Cleaning

Mold & Mildew

To rid your home of pesky mold and mildew, use solely vinegar when cleaning. The vinegar will remove any mold and mildew and sterilize the surface. Your home will be safe and naturally clean.

Counters and tile flooring

Simply use vinegar, baking soda and water! The baking soda acts as little scrubbers and the vinegar will disinfect your counters and tile flooring. Add a splash of lemon juice for a refreshing and natural after smell.

Naturally clean air

Instead of using store bough air fresheners, try burning cloves or other herbs for a more natural fresh scent. Create your own fresh scent by cutting up fruit and mixing it with spices, herbs and water and allow it to boil. Once boiling point is reached allow the mixture to simmer and enjoy the fresh scent in your home.

Toilet

All you need to clean your toilet is baking soda and vinegar. Sprinkle baking soda around the inside of your toilet, away from the water and scrub away! Use the vinegar to clean the outside surfaces of your toilet.

Carpets

Carpets can get a little musty smelling. Baking soda will treat these odors and leave your carpet smelling fresh. Lightly sprinkle the baking soda and sweep it around. Let it sit for a while and then vacuum it up!

Wood

Using lemon juice and olive oil you can clean your wood furniture. With a small amount on a rag, wiping in long clean strokes you'll clean your furniture and have a nice smell in your home.

Green Cleaning Manual
