Group Iraq Mp3 Report Study:

Why States Recover Greg Mills, 2015-01-03 State failure takes many forms Somalia offers one extreme The country's prolonged civil war led to the collapse of central authority with state control devolving to warlord led factions that competed for the spoils of local commerce political power and international aid Malawi on the other hand is at the other end of the scale During President Bingu's second term in office the country's economy collapsed as a result of poor policies and Bingu's brand of personal politics On the surface Malawi's economy seemed largely stable underneath however the polity was fractured and the economy broken In between these two extremes of state failure are all manner of examples many of which Mills explores in the fascinating and profoundly personal *Why States Recover* Throughout he returns to his key questions how do countries recover What roles should both insiders and outsiders play to aid that process Drawing on research in more than thirty countries and incorporating interviews with a dozen leaders Mills examines state failure and identifies instances of recovery in Latin America Asia and Africa For anyone interested in the reasons behind states failure and remedies to ensure future economic stability it is important reading

Surviving the Islamic State Austin Knuppe, 2014-07-02 How did ordinary Iraqis survive the occupation of their communities by the Islamic State How did they decide whether to stay or flee to cooperate or resist Based on an original survey from Baghdad alongside key interviews in the field this book offers an insightful account of how Iraqis in different areas of the country responded to the rise and fall of the Islamic State Austin J Knuppe argues that people adopt survival repertoires a variety of social practices tools organized routines symbols and rhetorical strategies to navigate wartime violence and detect threats He traces how repertoires varied among different communities over the course of the conflict In areas insulated from insurgent control such as cosmopolitan Baghdad local residents had the flexibility to support coalition forces while also voicing opposition to government policies For Iraqis in rural communities confronting insurgent control collaboration and resistance entailed significant risks In Sunni majority communities in the western desert passive acquiescence and active cooperation temporarily insulated Iraqis from insurgent victimization For ethnic and religious minorities in the north however flight or resistance proved the only viable options In many communities local residents mobilized neighborhood self defense groups and militias loosely aligned with coalition forces once the tides turned against the Islamic State Beyond contributing to academic and policy debates about civilian protection during wartime *Surviving the Islamic State* foregrounds everyday people's experiences while modeling an ethical approach for conducting field research in conflict affected communities
