Protagoras and Logos Edward Schiappa,2013-06-14 Reassesses the philosophical and pedagogical contributions of Protagoras Protagoras and Logos brings together in a meaningful synthesis the contributions and rhetoric of the first and most famous of the Older Sophists Protagoras of Abdera Most accounts of Protagoras rely on the somewhat hostile reports of Plato and Aristotle By focusing on Protagoras s own surviving words this study corrects many long standing misinterpretations and presents significant facts Protagoras was a first rate philosophical thinker who positively influenced the theories of Plato and

Aristotle and Protagoras pioneered the study of language and was the first theorist of rhetoric In addition to illustrating valuable methods of translating and reading fifth century B C E Greek passages the book marshals evidence for the important philological conclusion that the Greek word translated as rhetoric was a coinage by Plato in the early fourth century In this second edition Edward Schiappa reassesses the philosophical and pedagogical contributions of Protagoras Schiappa argues that traditional accounts of Protagoras are hampered by mistaken assumptions about the Sophists and the teaching of the art of rhetoric in the fifth century He shows that contrary to tradition the so called Older Sophists investigated and taught the skills of logos which is closer to modern conceptions of critical reasoning than of persuasive oratory Schiappa also offers interpretations for each of Protagoras s major surviving fragments and examines Protagoras s contributions to the theory and practice of Greek education politics and philosophy In a new afterword Schiappa addresses historiographical issues that have occupied scholars in rhetorical studies over the past ten years and throughout the study he provides references to scholarship from the last decade that has refined his views on Protagoras and other Sophists U.S. Army Campaigns of the Civil War: The Civil War in the West, 1863 Andrew N. Morris, The Civil War in the West 1863 by Andrew N Morris is the latest addition to the Center of Military History s U S Army Campaigns of the Civil War series In 1863 Union and Confederate forces fought for control of Chattanooga a key rail center The Confederates were victorious at nearby Chickamauga in September However renewed fighting in Chattanooga that November provided Union troops a victory control of the city and drove the Confederates south into Georgia The Union success left its armies poised to invade the Deep South the following year **Profiles of America's Most Threatened Civil War Battlefields** ,1998

Humanitarian Action and Peace Keeping Operations Institute of Policy Studies (Singapore),1997-12-22 This is the third work in the series of conferences held in Singapore on various aspects of United Nations Peacekeeping operations under the auspices of the United Nations Institute for Training and Research UNITAR the Institute of Political Studies IPS of Singapore and the National Institute for Research Advancement NIRA of Japan The 1997 Conference focused on humanitarian action and peacekeeping operations and brought together key practitioners and scholars from the Security Council those interested in government the International Committee of the Red Cross ICRC other humanitarian NGOs academics and military personnel Since the end of the Cold War the number and complexity of UN peacekeeping operations have increased dramatically due to profound changes in many areas of the world The recent trend has seen a shift from inter state to intra state conflicts bringing in its wake a myriad of operational legal and political questions such as the very relevance and applicability of the principle of non interference in the internal affairs of the state Parties to recent conflicts have no central authority and little or no regard for international humanitarian law Interested and involved parties on the peacekeeping and humanitarian scene have also changed and multiplied All these factors render humanitarian action more complex dangerous and difficult for all parties involved The book reviews four United Nations peacekeeping operations that

have undergone immense difficulties viz in Somalia the former Yugoslavia Rwanda and Liberia It debates the pertinent political framework for humanitarian action in each case It explores the relationship between humanitarian and military action of coordination with regional organizations and multinational force as well as fundamental questions regarding the role and responsibility of the member states of the Security Council Its findings can provide policy makers researchers and analysts of international affairs with a sober and thorough assessment of past experience and lessons for the future

Psychosocial Capacity Building in Response to Disasters Joshua L. Miller, 2012 This book integrates Western mental health approaches and international models of psychosocial capacity building within a social ecology framework providing practitioners and volunteers with a blueprint for individual family group and community interventions Joshua L Miller focuses on a range of disasters at local regional national and international levels Global case studies explore the social psychological economic political and cultural issues affecting various reactions to disaster and illustrate the importance of drawing on local cultural practices to promote empowerment and resiliency Miller encourages developing people s capacity to direct their own recovery using a social ecology framework to conceptualize disasters and their consequences He also considers sources of vulnerability and how to support individual family and community resiliency adapt and implement traditional disaster mental health interventions in different contexts use groups and activities to facilitate recovery as part of a larger strategy of psychosocial capacity building and foster collective grieving and memorializing Miller s text examines the unique dynamics of intergroup conflict and the relationship between psychosocial healing social justice and peace and reconciliation
