English Language Arts, Grade 11 Module 1 PCG Education, 2015-12-17 Paths to College and Career Jossey Bass and PCG Education are proud to bring the Paths to College and Career English Language Arts ELA curriculum and professional development resources for grades 6-12 to educators across the country. Originally developed for EngageNY and written with a focus on the shifts in instructional practice and student experiences, the standards require Paths to College and Career includes daily lesson plans, guiding questions, recommended texts, scaffolding strategies, and other classroom resources. Paths to College and Career is a concrete and practical ELA instructional program that engages students with compelling and complex texts. At each grade level, Paths to College and Career delivers a yearlong curriculum that develops all students' ability to read closely and engage in text-based discussions, build evidence-based claims and arguments, conduct research, and write from sources, and expand their academic vocabulary. Paths to College and Career's instructional resources address the needs of all learners, including students with disabilities, English language learners, and gifted and talented students. This enhanced curriculum provides teachers with freshly designed Teacher Guides that make the curriculum more accessible and flexible, a Teacher Resource Book for each module that includes all of the materials educators need to manage instruction, and Student Journals that give students learning tools for each module and a single place to organize and document their learning. As the creators of the Paths ELA curriculum for grades 6-12, PCG Education provides a professional learning program that ensures the success of the curriculum. The program includes Nationally recognized professional development from an organization that has been immersed in the new standards since their inception. Blended learning experiences for teachers and leaders that enrich and extend the learning. A train-the-trainer program that builds capacity and provides resources and individual support for embedded leaders and coaches. Paths offers schools and districts a unique approach to ensuring college and career readiness for all students, providing state-of-the-art curriculum and state-of-the-art implementation.

World Electoral Processes: The Legitimacy of Democratic Government Gr. 5-8 Darcy Frisina, 2016-08-01 This is the chapter slice "The Legitimacy of Democratic Government Gr. 5-8" from the full lesson plan "World Electoral Processes: Become a voting expert with a clear understanding of the election process." Our resource breaks down the differences between a presidential, parliamentary, and dictatorship government. Travel back to ancient times to experience the first voting system. Explore the concept of a democratic government and whether it truly represents the people. Discover how the president has to share powers with the legislature in a presidential system. Explain why it is easier to pass laws in the parliamentary system than in the presidential system. Roleplay as a member of Parliament and deliver a 90-second statement about an important issue. Find out why most dictators were military leaders and how the role of dictator has changed over time. Learn about suffrage and what the requirements are for a citizen to be allowed to vote. Hold your own election to decide on a policy for running your classroom. Aligned to your State Standards and written to Bloom's Taxonomy, additional writing
