**Songs from My Heart** Daisaku Ikeda, 2014-10-01 For many years Daisaku Ikeda has used poetry to express his innermost observations and sensations. He has given poetic voice to feelings that have emerged from real life and from the activities of an internationally known champion of peace and education and the leader of a worldwide lay Buddhist movement. With a vigour and simplicity that derive from a style rooted in classical rather than colloquial traditions, his poems celebrate the themes of youth and of progress and the mysteries of the natural world: whether a wind that sighs with its melancholy chant to the traveller or a great sky with its transcendent beauty and stillness or a moon that shines with the light of the silver monarch. These are poignant meditations, above all on time transience and the eternal rendered visible through a palette of diverse poetic colour and framed within a universe where all people are called to strive for a better world. Such a world is characterized not by division but by peace and love. In that sense these are verses expressive of the author's deepest hopes and sentiments, not merely poems but keenly felt songs from his heart. *Heart of Darkness (Fifth Edition) (Norton Critical Editions)* Joseph Conrad, 2016-08-29 This is the best Norton Critical Edition yet. All my students have become intensely interested in reading Conrad largely because of this excellent work. Elise F. Knapp, Western Connecticut State University. This Norton Critical Edition includes: A newly edited text based on the first English book edition, 1902, the last version to which Conrad is known to have actively contributed. Textual History and Editing Principles provides an overview of the textual controversies and ambiguities perpetually surrounding *Heart of Darkness*. Background and source materials on colonialism and the Congo, nineteenth-century attitudes toward race, Conrad in the Congo, and Conrad on art and literature. Fifteen illustrations. Seven contemporary responses to the novella along with eighteen essays in criticism, ten of them new to the Fifth Edition, including an entirely new subsection on film adaptations of *Heart of Darkness*. A Chronology and an updated Selected Bibliography. *The Pure Language of the Heart* Annemieke Meijer, 2023-07-10 This is the first book-length study of Sentimentalism in the Netherlands. Taking for its starting point the polemic between Rhijnvis Feith, the champion of the Dutch Sentimental vogue, and his chief opponent Willem Emmery de Perponcher, a polemic that lasted from 1786 to 1789, the author places the Dutch debate over Sentimentalism in a wider socio-cultural context. The Dutch had their own version of Sentimentalism. Its specific nature and the themes that were touched upon in the debate, which it evoked, are here described and analysed against the European background of English Sensibility and German Empfindsamkeit. *The Pure Language of the Heart* also discusses authors such as Elisabeth Maria Post and Jacob Eduard de Witte. It traces the vocabulary of eighteenth-century Dutch sentimental discourse and contains an extensive bibliography of contemporary material relating to the Sentimental. *Firm Heart and Capacious Mind* Jefferson P. Selth, 1997 *Firm Heart and Capacious Mind* The Life and Friends of Etienne Dumont is the first full-length biography of a Renaissance man, the statesman, publicist, jurist, political writer, man of letters, who was hailed by Goethe, Macaulay, and Stendhal as one of the great intellects of his time. Among other

activities he advised Mirabeau the leader of the National Assembly in the French Revolution introduced Jeremy Bentham to the world by publishing ten volumes edited and rewritten from Bentham's notes and led the political struggle that turned Geneva into a democracy Dumont also played a direct role in such social reforms as the abolition of slavery corresponding with and advising Samuel Romilly William Wiberforce and others A confirmed bachelor he was admired and at times loved by some of the most prominent women of his time Lady Holland Madame de Stael and Maria Edgeworth There has been no other full length work and no book at all in English on this remarkable man **A New Vision, a New Heart, a Renewed Call** David Claydon,2005
