Heaven Help Us John Kasich, 2025-04-08 Discover the antidote to cynicism and despair in this dynamic revelatory hope inducing exploration of the extraordinary work and extraordinary people who are transforming communities around the country motivated by faith The mother of a man with autism manages a network of group homes through her local Greek Orthodox congregation The director of an Islamic cultural center hosts a national interfaith conference to foster better relationships with the Jewish community A student counselor starts a free immigration services program through her church Sometimes we forget that good is not only happening in America it is flourishing in the fertile soil of our churches synagogues and mosques Few people are better poised to speak to the value of religious institutions in civic life than former Ohio governor and presidential candidate John Kasich who is both a public servant and a man of faith In **Heaven Help Us** Kasich reminds us through gripping stories that faith communities are vital to healthy communities and our nation **Heaven Help Us** offers Unforgettable stories of people making an extraordinary difference because of their faith communities Insights into what sets faith institutions that transform their neighborhoods apart from those that don't Practical ideas for making positive changes in our own communities Hope to dream about what is possible in our country instead of what is impossible Encouragement that religion can bring us together rather than break us apart As Kasich shows us faith institutions can magnify the power of an individual in ways that almost always exceed the expectations of the person who jump started the initiative in the first place More than a collection of feel good stories **Heaven Help Us** reminds us of the resourcefulness and ingenuity of our fellow congregants and religious leaders that make it possible to turn our good intentions into even better outcomes Good is happening in our country Join in **Gunman's Gold** Max Brand, 2024-04-02 Two miners discover a gold deposit and invite a friend a young and very handsome gunman to be a partner in the gold mine An evil man overhears this invitation commits murders and frames the gunman for the murders so he can claim the mine An old friend of the young gunman's father hires a famed investigator to rescue the young man from a lynch mob The investigator has an ugly face but is an intelligent thinker who does not use a gun With wits a powerful body daredevil deeds and with his beautiful secretary's help the investigator brings the guilty man to justice His secretary learns to love a man for his inner beauty instead of a handsome face Gunman's Gold Frederick Schiller Faust, 2022-08-01 DigiCat Publishing presents to you this special edition of Gunman's Gold by Frederick Schiller Faust DigiCat Publishing considers every written word to be a legacy of humankind Every DigiCat book has been carefully reproduced for republishing in a new modern format The books are available in print as well as ebooks DigiCat hopes you will treat this work with the acknowledgment and passion it deserves as a classic of world literature Gunman's Rendezvous Max Brand, 2015-01-20 A wounded gunslinger fights for his life in this collection of three classic stories from one of the most popular Western authors of all time Luck is initially on Cheyenne's side in Gunman's Bluff as he manages to kill one Martin brother and wound the other in a

The Gunman's Ride D. A. Daugherty, 2020-11-23 On a lonely road in the kingdom of Sarven lone outlaw Jack Spade robs an unsuspecting merchant This is no random crime however He was hired to steal a very specific thing the mysterious Box of Andelaine which has remained sealed for millennia despite the best efforts of all the world's most powerful sorcerers It remained sealed at least until out of idle curiosity the gunman tried the lid only for it to swing wide without protest Even the simple act of opening a box and removing the seemingly unassuming necklace inside has dire consequences for the solitary roughrider Between the cult of deadly warriors in the service of angels and the demonic rider who won't stay dead for long the hounds of heaven and hell are out for blood The worst part for their increasingly desperate quarry is that no one will even tell him why Seemingly the only solution for the man is to trust the word of an enigmatic sorceress known only as Lucy and travel across a wide trackless frontier to the foreign unwelcoming land on the other side Through it all the lone gunman can never be quite sure whether or not he's on his last ride
