Welcome Home, Cowboy Annie Rains, 2016-04-26

With its thriving military base Seaside North Carolina is teeming with heroes of all stripes. But as the bestselling Hero's Welcome series from Annie Rains continues it takes a cowboy to rescue the town's newest resident from heartache. After a bad breakup leaves Julie Chandler completely devastated she comes to Seaside seeking a fresh start. A talented compassionate yoga teacher she has developed a program to help alleviate the effects of PTSD but getting a bunch of bullheaded Marines into downward facing dog might be impossible. So Julie's shocked when one of her first students dives in headfirst and almost tempts her to take down her walls with his easy smile and electrifying touch. Ever since Texas cowboy turned Marine pilot Lawson Phillips lost a crew member in a helicopter accident he hasn't been able to fly. When a psychologist orders him to attend to all things a yoga class Lawson's outraged until he finds out Julie is the instructor. She's beautiful graceful and completely guarded when it comes to his advances but he's determined to find out what makes her tick. Because underneath Julie's hard shell is a woman Lawson knows he could fall for and he's not ready for the ride to end. Praise for Welcome Home Cowboy: Annie Rains didn't disappoint with this new story and pulled me right into the book making me fall in love once again with her characters, the small town setting and an emotional story that made my heart soar. I think I'll never get enough of this series. Roberta's Dreamworld: Welcome Home Cowboy is sweet and entertaining with a little side of playfulness. The characters were loveable and the storyline was able to fully capture my attention. Hines and Bigham's Literary Tryst: A story that made me smile, laugh out loud, shed a tear and sigh so deeply while telling a tale of love and loss. Books and Spoons: Great book. Not only was it a great heartwarming and spicy romance but it was a book of hope, second chances, finding strength inside oneself and making life better. Devilishly Delicious Book Reviews on Welcome Home Cowboy: Includes an excerpt from another Loveswept title.
