Hell's Heaven Anthony Florence,2021-08-26 My life started in the ghetto of Roxbury Massachusetts a mile away from the drug infested neighborhood where Bobby Brown came up My father left our family when I was one My mother had five children one of whom died in early childhood My mother struggled every day to feed us I'm sure many times not feeding herself A lot of our food and Christmas toys came from the government Despite all her struggles my mother did everything in her power to give me an academic edge After I won the Boston Mayor's Award for academics when I graduated from the

sixth grade my mother colluded with a white family to put me on an academic and cultural Rocketship This was the point where I had to begin to navigate my path mostly on my own as my mother s knowledge and experience regarding my new world was very limited All I could do was to try to hold on I attended the University of Massachusetts and a computer electronics class at Benjamin Franklin Institute where IBM hired me After 20 years in the world of high technology I became disillusioned with corporate life and moved with my family to Costa Rica where I had the pleasure of meeting a man named Dr Deepak Chopra who contacted me and invited my wife and I to join him at his private lunch with the presidential candidate of Costa Rica during his one day conference How People always ask me Why after 17 years did you return from the paradise of Costa Rica to the U S This is my true story *Hell's shadow in Heaven* Kal Burgess,2024-09-04 Hell s Shadow in Heaven is a young girls journey through poetry that gives her a voice to release her inner feelings Tobika becomes this girl As she ages she finds her way out of the shadows The message is we can survive with understanding and acceptance to who we are regardless to the darkness that tries to take control Life is not an easy street It can be hard and it can be daunting Maybe this journey can help others to navigate pass their own shadows **Two Kids in Love** Albert Romero,2018-08-25 Diane and Patsy and Tito met at age ten and they fell in love and they fought for each others love for years They would play in the rain and snow and were in the dirty street with no shoes but one thing they had was their love for each other His mom moved to the other side of the state His mom and dad didnt like Diane at all They tried to keep them apart but nothing would work He would come to see her every summer He would sing to her like a mariachi to win her heart She would break his heart and stab him but the joy they had and the love they had would not let the two rest in peace Patsy would cry for him and fight for him but whom would he pick at the end **An Orphan of Hell's Kitchen** Liz Freeland,2020-02-25 In 1914 Hell s Kitchen is an apt name for New York City s grittiest neighborhood as one of the city s first policewomen Louise Faulk is about to discover when the death of a young prostitute leads her on a grim journey through the district s darkest corners Filthy dangerous and deadly Hell s Kitchen is no place for a lady but Louise Faulk is no ordinary woman The amateur investigator turned rookie policewoman is investigating the death of young prostitute Ruthie who leaves behind a baby boy Although detectives are quick to declare it a suicide Louise is less certain after she discovers clues implying murder while attempting to find a caretaker for Ruthie s orphaned son Uncovering the truth won t be easy especially since Louise is struggling to make a name for herself amid the boys club of the New York City Police Department But Ruthie s case keeps tugging at Louise luring her beyond the slums drawn curtains and tenement doors into an undercover investigation that often seems to conceal more than it reveals Louise is convinced Ruthie s secrets got her killed but can she prove it before they catch up to her too *At Hell's Gate* Claude Anshin Thomas,2006-01-10 In this raw and moving memoir Claude Thomas describes his service in Vietnam his subsequent emotional collapse and his remarkable journey toward healing At Hell s Gate is not only a gripping coming of age story but a spiritual travelogue from the horrors of combat to the discovery of inner peace a journey

that inspired Thomas to become a Zen monk and peace activist who travels to war scarred regions around the world Everyone has their Vietnam Thomas writes Everyone has their own experience of violence calamity or trauma With simplicity and power this book offers timeless teachings on how we can all find healing and it presents practical guidance on how mindfulness and compassion can transform our lives This expanded edition features Discussion questions for reading groups A new afterword by the author reflecting on how the current wars in Iraq and Afghanistan are affecting soldiers and offering advice on how to help returning soldiers to cope with their combat experiences

Hell's Portal Gutter Punks of New Orleans Don Nolan, 2023-12-05 Let me take you on this wild ride of my younger years hanging around true anarchists called Gutter Punks or Train Kids as they like to be called in this current day I will break down to the reader how the whole Gutter Punk persuasion started in New Orleans and all the different tactics and rules one must abide by to chill with these rebellious people These nomads usually hop trains to different major cities and always end up for some reason or another in New Orleans Surprisingly you'd be amazed how many Gutter Punks I've met that come from rich well to do families Guessing that this is not the route they wanted to take in life sadly a lot of them end up with ominous ambitions as their goals not all of them though Almost every story in this book takes place in New Orleans and all legal names of characters have been changed as stated on the cover The only names that haven't been changed are the street names for certain Gutter Punks City street names haven't been changed either I am a sober man today and as I sat here in a long term rehab thinking about my past I asked myself What are you going to do with all these crazy action packed macabre tales you've experienced over the years I know Tell the world how much fun you had Also let them know how much karma can catch up with you for all the atrocious actions you've taken hanging out with today's modern Pirate Maybe it will open up the eyes of the public on how our fellow brothers or sisters got into the predicament they did What does not come out in the wash will definitely come out in the rinse

goddess of the screen a valiant and courageous symbol of fortitude and love through all distress On Marlon Brando He challenged himself never to be the same from picture to picture refusing to become the kind of film star the studio system had invented and thrived upon the recognizable human commodity each new film was built around The funny thing is that Brando s charismatic screen persona was vividly apparent despite the multiplicity of his guises Brando always remains recognizable a star actor in spite of himself Jerry Lewis to Bogdanovich on the first laugh Lewis ever got onstage I was five years old My mom and dad had a tux made I worked in the borscht circuit with them and I came out and I sang Brother Can You Spare a Dime the big hit at the time It was 1931 and I stopped the show naturally a five year old in a tuxedo is not going to stop the show And I took a bow and my foot slipped and hit one of the floodlights and it exploded and the smoke and the sound scared me so I started to cry The audience laughed they were hysterical So I knew I had to get the rest of my laughs the rest of my life breaking sitting falling spinning John Wayne to Bogdanovich on the early years of Wayne s career when he was working as a prop man Well I ve naturally studied John Ford professionally as well as loving the man Ever since the first time I walked down his set as a goose herder in 1927 They needed somebody from the prop department to keep the geese from getting under a fake hill they had for Mother Machree at Fox I d been hired because Tom Mix wanted a box seat for the USC football games and so they promised jobs to Don Williams and myself and a couple of the players They buried us over in the properties department and Mr Ford s need for a goose herder just seemed to fit my pistol These twenty six portraits and conversations are unsurpassed in their evocation of a certain kind of great movie star that has vanished Bogdanovich s book is a celebration and a farewell
