What Good Is God? Philip Yancey,2025-05-01 Journalist and spiritual seeker Philip Yancey has always struggled with the most basic questions of the Christian faith The question he tackles in What Good Is God concerns the practical value of belief in God His search for the answer to this question took him to some amazing settings around the world Mumbai India when the firing started during the terrorist attacks at the motel where Martin Luther King Jr was assassinated on the Virginia Tech campus soon after the massacre an AA convention and even to a conference for women in prostitution At each of the ten places he visited his preparation for the visit and exactly what he said to the people he met each provided evidence that faith really does work when what we believe is severely tested What Good Is God tells the story of Philip s journey the background the preparation the presentations themselves Here is a story of grace for armchair travelers spiritual seekers and those in desperate need of assurance that their faith really matters The Renegade Pastor Nelson Searcy,Jennifer Dykes Henson,2013-09-03 Break out of the trap of average and pursue God s best for your ministry The average church in America is declining by 9% every year is behind on budget and is unable to move forward with the kingdom plans God has in store The average pastor is stressed out and struggling to maintain healthy relationships and life balance But while the cycle of average is strong there is a way to overcome its pull and step into a life of impact and excellence Drawing from Nelson Searcy s decades of ministry experience The Renegade Pastor is a relevant step by step resource for church leaders who are ready to step up in surrender to the pursuit of God s best for his or her life and work Addresses issues of personal and professional growth including Managing Stress Controlling Emotions Dealing with Criticism Setting Godly Goals Planning with Purpose Establishing Healthy Friendships Developing Strong Church Systems Personally Honoring the Sabbath Becoming a Better Spouse and Parent

God's voice in the decisions and challenges you face God is always speaking the key is discovering the unique way He speaks to each of us which is your unique prophetic personality Hearing God's voice is one of the greatest gifts we've been given but it can also feel complex and frustrating As a teenager Havilah Cunningham didn't think she could hear God's voice thinking it was like trying to tune into a radio station and never finding the correct frequency But one night at a conference she had an encounter with God that changed everything She realized He had been speaking to her the whole time she just hadn't learned to recognize His voice Now an author speaker pastor and founder of the well known ministry Truth to Table Havilah teaches people around the world to recognize the unique way God is speaking to them After more than twenty five years studying and teaching about hearing from God she has discovered four distinct ways we hear His voice In Created to Hear God you will identify your unique prophetic personality Hearer Knower Feeler or Seer learn the core concepts of a prophetic personality discover how to strengthen and develop that personality uncover a relationship with God that has felt hidden for so long and learn how God speaks to your family and friends God is alive and well It's not about Him speaking but us listening Through biblical teaching and experience you'll receive guidance in hearing and connecting with God If you love tools like the Enneagram join the thousands who have already gained a deeper understanding of themselves and others through learning their unique prophetic personality
