Editing and Publishing Manzurul Islam, 2015-12-30 This is a unique book covering topics of both academic and professional interest. Be they new Teachers, Researchers, Authors, Editors, Copyeditors, Graduate students or corporate executives and officials having anything to do with writing, editing and publishing, this Manual and *Some Thoughts* will be a trusted companion. Starting from issues on Language and Style, Citations and Referencing, Editing, Plagiarism etc, the volume also encompasses Articles on publishing and book development proposals in South Asia and other non-English speaking regions. The book will be a handy guide in maintaining consistencies and acceptable standards. The Manual is a concise compilation of Styles and Standards from various authentic sources in Part 1, as well as an analysis of the present status of publishing in Part 2 in Bangladesh and elsewhere. A painstaking research-based and brief but well-illustrated Manual on Standards and a short but thought-provoking work on publishing, the book also suggests an academic Course on Publishing, all for dissemination of knowledge and scholarship. An academic, an open learning proponent and a publishing professional of long standing, the Author was a senior Faculty in universities and research organizations in Bangladesh and abroad. A PhD in Communication with a Masters in English, Manzurul Islam received advanced training in UK, USA and Canada. His recent engagements include Faculty Development and Quality Assurance programs through trainings in research and publication works.

Designing and Managing a Research Project Michael Jay Polonsky, David S. Waller, 2018-10-03 *Designing and Managing a Research Project: A Business Student's Guide* is a practical step-by-step guide that shows business students how to successfully conduct a research project from choosing the topic to presenting the results. The authors have applied their many years of experience in supervising student projects to provide examples of actual research problems and to offer practical solutions. The inclusion of topics such as supervision, group work and ethics, and both qualitative and quantitative data analysis, along with examples from real student research, provide a unique perspective. The new Fourth Edition includes broader types of student project examples such as an Economics thesis, additional international business cases, increased coverage of Questionnaire Design and Institutional Review Boards, and an
