Marauder Training Guide:

Merrill's Marauders Edward M. Young, 2012-09-20 Merrill's Marauders were the first American Army infantry unit to fight in the China Burma India theatre and one of the most renowned units to come out of World War II. The Marauders established a lasting reputation for hard fighting and tenacity in the face of adversity, combating a determined enemy in some of the most difficult and disease-ridden terrain in the world and a seemingly indifferent higher command. Pushed beyond the limit of their endurance at the end of nearly six months of operations behind Japanese lines, the remaining Marauders were withdrawn from combat after suffering over 90% casualties. Because of its courageous actions, the unit received the very rare honour of having every member presented with a Bronze Star for gallantry. This book explores the creation, training, and combat experiences of the Marauders, one of the most famous units in the US Army's roll of honour.

Adventurer's Guide
H. T. Martineau, 2025-03-04 When young Mara Green first entered Ambergrove in *Ranger's Odyssey* and learned that what she thought was fantasy was actually another world, a real world that was the land of her ancestors, Ambergrove. *DUNGEONS & DRAGONS* was the natural next step. *Dawn of the Dragonwolf*, a campaign and mini-core book, allowed players to create Ambergrove characters and play adventures that follow Mara's journey in *Ranger's Odyssey*. However, at that time, Mara's adventure was only just beginning. This full *Adventurer's Guide* places players in the age after Mara's adventures, the age when magic has returned to Ambergrove and other elements that had long since been lost to time have returned with it. Your Ambergrove *Adventurer's Guide* includes seven playable races, ten subraces, and dozens of half-race combinations. Nine classes, twenty-five subclasses, and five class spell books. Seven player characters from the *Dragonwolf* trilogy and five player characters from *Hammer and Flame*. The Ambergrove language, Grovish, plus a QR code for the free downloadable font. Additional worldbuilding information such as backgrounds, special items, companion creatures, and other encounterable creatures. Ambergrove's pantheon, NPCs from the books, and more. Want to create a half-Gnome and half-Mining Dwarf earth Elementalist, a generic human from Minnesota who's suddenly fighting monsters in a fantasy land, or even just play a game as a beloved book character? You can. Let this comprehensive guide take you deep into Ambergrove and experience this world for yourself.
