Document Design, Second Edition Miles A. Kimball,Derek G.

Ross,2025-03-01 Document Design introduces students to the basic principles and theories of design combining practical

advice about the design process with a foundation in visual rhetoric and usability Most books on document design lean

toward either theory or practice This book offers a balanced approach theoretically informed practice that introduces a

working vocabulary to help students become reflective practitioners able not only to create effective designs but also to

explain why and how they made their design choices Derek G Ross and Miles A Kimball hope to give students the foundation

they need to make design decisions in any rhetorical situation Students will learn to negotiate between the needs of both

users and clients to consider the nuances of audience purpose and context
