

PRINCIPAL'S ADDRESS TO PARENTS & LEARNERS:
AWARDS CEREMONY 2013 ON THURSDAY, 7 NOVEMBER 2013:

Chairperson of our School Governing Body, Governing Body Members, School Management, Parents, Educators, Learners, Family members of Learners, Visitors, Ushers, my wife Chantelle, Ladies and Gentlemen:

I am very pleased to be part of this important celebration and for the support your presence offers the school and our learners. I acknowledge the hard work of all those who are here, not just the winners of the academic and special awards.

Many of the learners will have strived to do their best in order to be part of this ceremony and I believe they represent the true spirit of our school: "STRIVE FOR EXCELLENCE". That motto also applies to the staff and parents to whom I am very grateful for their contribution, teaching and guiding these boys and girls to very well deserved academic success. At Kuils River Technical High we aim high, strongly driven by our core values, where the dignity of work in pursuit of excellence reflects our enduring belief in hard work and that every learner got gift.

Resources in Education ,2001-10 **Teacher Effectiveness** Marjorie Powell,Joseph W. Beard,2018-06-13 Originally published in 1984 the field of research on teaching had expanded dramatically in the 15 years covered by this bibliography 1965 to 1980 The expansion had included studies conducted for many purposes This bibliography contains relevant citations to the research which has been conducted for the purposes of increasing our understanding of the science art and craft of teaching The existence of research publications has been documented with relevant reference information and brief annotations there has been no attempt to evaluate the quality of the studies A brief perusal of the bibliography provides an indication of the range of topics addressed by these studies and also of the variety of studies within a single topic

Performance-Based Assessment for 21st-Century Skills Todd Stanley,2021-09-03 Performance based assessments allow classroom teachers an alternative to traditional multiple choice tests We often use fill in the bubble assessments in education to determine the readiness of students However in the 21st century workplace these types of tests fail to truly prepare students How many times in the real world are we called upon to take a multiple choice test In the real world we are called upon to prove our merit through performance based assessments displaying our 21st century skills We should be preparing students for this in the classroom Performance Based Assessment for 21st Century Skills makes the argument that teachers should use performance based assessments in the classroom It guides the educator step by step to show how he or she can create performance based assessments for students including what they look like teaching students how to create them setting the proper classroom environment and how to evaluate them **Inside Japanese Classrooms** Nancy

Sato,2003-12-16 This detailed ethnographic study of fifth and sixth grade classrooms offers new insights into Japanese culture as many aspects of daily social life are embedded in the educational system Additionally this book provides new perspectives on educational reform in the U S since many current issues and programs focus on notions of community collaboration and systemic reform all of which are central to understanding Japanese teaching learning processes in schools
