

Chapter 12

1. Why did Kevin and Dean convince the people of the school to allow the boys to be in the same class?

Kevin and Dean convince the people of the school to allow the boys to be in the same class because it would be good for Frank to have someone to help him get around.

2. Why is it unusual for Max to be in Kevin's class?

It is unusual for Max to be in Kevin's class because Max is learning Braille and usually is chosen for students with learning disabilities. Kevin is in the smart classes.

3. Why do Dean and Devin agree for Max to join Kevin's class?

Dean and Devin agree for Max to join Kevin's class because nothing else has helped Max improve in school, not even his classes or special teachers. The only thing that seems to have helped him so far is having a friend.

4. Why does Kevin call the class to order? Describe the situation.

Kevin calls the class to order to stop the students from making fun of Max. Mrs. Donnelly asked Max to stand up and tell the class something about his summer and when he went, the kids start shouting at him, and calling him names. Frank wants this to stop.

5. What effect does Kevin sitting on Max's shoulders have on his class and teacher?

What a effect does it have on Max?

When Kevin is sitting on Max's shoulders, Max feels strong and smart. This changes the classes reaction to Max as well. Now they are cheering for "Frank the Mighty" instead of making fun of him. Mrs. Donnelly is shocked and unable to control the classroom as he had her desk.

6. Who is Mrs. Donelli? Who is Mrs. Addison? **Add these traits to the character description page.**

Mrs. Donelli is Max and Frank's classroom teacher. Mrs. Addison is the principal of the school.

7. Why were Max and Frank sent to the principal? What was the outcome?

Max and Frank were sent to the principal because of the notes they created in their classroom (Frank sitting on Max's shoulders, the class laughing). When they got there, Frank "convinced" the principal not to punish them by using big words that she had to look up. Mrs. Addison does not punish them and "tells for it."

8. Explain the chapter title.

The chapter title, "Eller Cove, Eller Cove, Had a Cat Who Got No Brain" describes the views of the students towards Max. They make fun of him for being stupid and for being the son of a killer.
