### **Summary: Chapter 24**

Pip returns to Jaggers's office in order to arrange to share rooms with Herbert. There Pip befriends the lively Wemmick, who invites him to dinner. Pip sees Jaggers in the courtroom, where he is a potent and menacing force, frightening even the judge with his thundering speeches.

Wemmick tells Pip story of two masks:

Wemmick collects portable property:

### **Summary: Chapter 25**

Pip continues to get to know his fellow students and the Pockets, attending dinners at both Wemmick's and Jaggers's. Wemmick's house is like something out of a dream, an absurd "castle" in Walworth that he shares with his "Aged Parent." Pip observes that Wemmick seems to have a new personality when he enters his home; while he is cynical and dry at work, at home he seems jovial and merry.

Bentley Drummle:

### **Summary: Chapter 26**

By contrast, Jaggers's house is oppressive and dark, shared only with a gloomy housekeeper, Molly. Pip's fellow students attend the dinner at Jaggers's with Pip, and Pip and Drummle quarrel over a loan Drummle ungratefully borrowed from Startop. Jaggers warns Pip to stay away from Drummle, though the lawyer claims to like the disagreeable young man himself.

Jaggers washes his hands:

Molly:

Drummle's loan/The Spider:

Drummle leaves the Pocket household at the end of this chapter

### **Analysis of 20-26:**

Structurally, this series of brief, quick chapters inaugurates the second phase of *Great Expectations*, marked by Pip's receiving his new fortune and his move from Kent to London. Pip's move to London marks a drastic shift of setting for the second main section of *Great Expectations*, away from the desolate marshes of Kent and into the teeming crowds of the city. Dickens, with his consummate knowledge of the London of his era, evokes the city masterfully, describing the stink, the run-down buildings, and the colorful mass of humanity through Pip's stunned perceptions. One of the first things Pip sees after his arrival in London is the terrible gallows of Newgate Prison, which gives Pip "a sickening idea of London." In a novel that places so much emphasis on the relationship between character and setting, it should come as no surprise that Pip encounters objects of punishment and justice everywhere he looks. Michael Marshall,1955-01-01 This six session Bible study on the Acts of the Apostles prepares congregations for a new commitment to evangelism Marshall examines the ministry of the first apostles and leads us to a new appreciation for Pentecost and the mission to which it calls us to be witnesses to the good news of the gospel Here is a book for those church groups and individuals who hear the call to evangelism and who seek to take Bible study beyond introspection out into the larger community Includes discussion questions a biblical index and a liturgy for a Pentecost Vigil      Vulnerable Consumers and the Law Christine Riefa,Severine Saintier,2020-10-27 This book charts the difficulties encountered by vulnerable consumers in their access to justice through the contributions of prominent authors academic practitioners and consultants in the field of consumer law and access to justice It demonstrates that despite the development of ADR access to justice is still severely lacking for the vulnerable consumer The book highlights that a broad understanding of access to justice which encompasses good regulation and its public enforcement is an essential ingredient alongside access to the mechanisms of traditional private justice courts and ADR to protect the vulnerable consumer Indeed many of the difficulties are linked to normative obstacles and lack of access to justice is primarily a vulnerability in itself that can exacerbate existing ones In addition because it may contribute to pushing already vulnerable consumers into social exclusion it is not simply about economic justice but also about social justice The book shows that lack of access to justice is not irreversible nor is it necessarily linked

to consumer apathy New technologies could provide solutions The book concludes with a plea for developing inclusive justice systems with more emphasis on public enforcement alongside effective courts systems to offer the vulnerable with adequate means to defend themselves This book will be suitable for both students and practitioners and all those with an interest in the justice system      **Great Expectations** George John Worth,1986      **Great Books, Honors Programs, and Hidden**

way to move up in our society is through education Stay in school work hard and you ll go far But that s no longer true today s young people study harder but learn less ending up over qualified yet underemployed In this book Patrick Ainley shows how education in England has been thoroughly compromised by being reoriented away from learning and toward the economy with devastating results Aimed at teachers and students at all levels the book concludes by suggesting ways that schools colleges and universities can instead begin to contribute to a more meaningful and productive society      *System under*
