Politics and the American Television Comedy Doyle Greene,2007-10-24 This work examines the unique and ever changing relationship between politics and comedy through an analysis of several popular American television programs Focusing on close readings of the work of Ernie Kovacs Soupy Sales and Andy Kaufman as well as Green Acres and The Gong Show the author provides a unique glimpse at the often subversive nature of avant garde television comedy The crisis in

American television during the political unrest of the late 1960s is also studied as represented by individual analyses of The Monkees The Smothers Brothers Comedy Hour Rowan and Martin s Laugh In and All in the Family The author also focuses on more contemporary American television drawing a comparative analysis between the referential postmodernism of The Simpsons and the confrontational absurdity of South Park

How to Read a Novel John Sutherland,2013-12-10 Do we still know how to read a novel John Sutherland Chairman of the 2005 Booker Prize Committee asks His disheartened answer is an unequivocal No But Sutherland has not given up hope With acerbic wit and intellect he traces the history of what it used to mean to be well read and tells readers what it still means today Using this delightful book as a means to an end he reminds readers how the delicate charms of fiction can be at once wonderful and inspired and infuriating On one level this is a book about novels how they work what they re about what makes them good or bad and how to talk about them At a deeper level this is a book in which one of the most intimate t te t tes is described one in which a reader meets a novel Will a great love affair begin Will the rendezvous end in disappointment Who can say In order for the relationship to take its appropriate course all the details must be clearly acknowledged and understood for their complexities plot point of view character style pace first and last sentences and even beauty Still Sutherland knows a true understanding of fiction is more than a flirtation with text and style it is a business Taking his readers on a trip to the bookshop he helps them judge a book by its cover based on design and color wondering aloud what genre might be best even going so far as to analyze one of the latest American bestsellers to further help the buying reader choose the novel that is right for him or her In a book that is as wry and humorous as it is learned and opinionated John Sutherland tells you everything you always wanted to know about how to read fiction better than you do now but were afraid to ask
