

The Great Gatsby Chapter Two: Student's Worksheet

1) Settings:

a) The Buchanans' glittering white palace

Now think back to the description of the Buchanan's house. Look at the ideas below and match them together.

The Buchanans' white palace	Comment
"a cheerful red and white Georgian Colonial mansion"	This appeals to our visual sense and creates the image of a scene of enchantment.
"The lawn started at the beach and ran towards the front door, jumping over sundials and brick walls."	The scene is also there to enhance Daisy's beauty and so she puts out the candles which might compete with her beauty. OR it might show how she rejects romance.
"listening to the whip and snap of the curtains and the groan of a picture on the wall. Then there was a boom as Tom ... shut the rear windows ..."	This places them firmly as part of American history. They are members of the elite and established rich who made their fortunes in previous times.
"bright rosy-coloured space";	Here we see male dominance as Tom takes control of the situation and brings the females under his control.
"They were both in white, and their dresses were rippling and fluttering as if they had just been blown back in after a short flight around the house."	This description suggests vitality and assertion – seems to mirror their owner, Tom.
"rosy-coloured porch, open towards the sunset, where four candles flickered ... She snapped them out with her fingers."	The scene is one of beauty and movement. The women are transformed into mysterious, strange and magical creatures which fascinate Nick. They appear completely passive in contrast to Tom's dominant masculinity.

b) Look at the description at the beginning of chapter 2 of the Valley of the Ashes.

Quote	Comment
The name "valley of the ashes"	Note that this is the name given to the area by Nick and it seems to be linked to the biblical phrase in Psalms; "valley of the shadow of death".
"a fantastic farm"	
"ashes grow like wheat into ridges and hills and grotesque gardens"	
"ash grey men" work their and this raises "an impenetrable cloud which screens their operations from your sight."	
"small foul river"
