Guitar Greats of Jacksonville Michael Ray FitzGerald,2023 Melt your face off with the guitar greats of Jacksonville In the 1960s the electric guitar became for boys what Barbie was for girls Legions of bands formed composed of teens making a ruckus in the garage But who could have guessed how many world renowned greats would arise from the clangor Guitar gods came forth from Los Angeles London Chicago Nashville But there is a southern city often overlooked an unlikely incubator that produced more than a dozen greats Legends such as Dickey Betts Dave Hlubek Duane Allman Jeff Carlisi Mike Campbell and Derek Trucks emerged from Jacksonville a far flung city detached from the music hubs Why did Jacksonville give rise to so many greats Author Michael Ray FitzGerald explores the origins of this rocking story while paying tribute to the youngsters from Jax who joined the ranks of the guitar gods **No Saints, No Saviors** Willie Perkins,2005 Willie Perkins left the staid conservative world of commercial bank auditing to jump headlong into the burgeoning beginnings of The Allman Brothers Band and follows their meteoric and sometimes tragic rise fall and revival Perkins s interest in the business of music and his association with an interesting pair of friends led him to the opportunity to go to work with the Allmans at the earliest stage of their career For the first time we learn from a true insider what it was like to live the nomadic life on the road with the Allmans from their earliest low buck club tours through the triumphant million dollar months of outdoor stadium dates in the mid seventies Perkins vividly describes living in the band s Big House and what it was like to room on the road with the legendary Duane Allman and what a truly amazing person he was The author tells of all the band and crew members and shares how they all dealt with the bumpy road to rock stardom The fast life of touring performing and recording with its huge rewards and triumphs is seen with literary clarity in these pages Perkins s memory of the sorrow and grief suffered from the untimely deaths of Duane Allman and Berry Oakley is paralleled by the band s dogged determination not to give up The reader is not spared the details of the destructiveness of drug and alcohol abuse and will learn the true facts behind the drug trial of John Scooter Herring Read how the band and its crew dealt with family life girlfriends and groupies Also you will learn about the making of the legendary Live At Fillmore East album the band s generous charitable contributions and their relationship with Jimmy Carter No book on TheAllman Brothers band would be complete without an account of Gregg Allman s solo comeback of the eighties and the twentieth anniversary reunion tour of The Allman Brothers Band No Saints No Saviors is a story of triumphs and heartbreaks but ultimately it is a story about how the music of The Allman Brothers Band indeed may well live forever *Chase's Calendar of Events 2017* Editors of Chase's,2016-09-23 Since 1957 the definitive day by day resource of what the world is celebrating and commemorating with 12 500 entries and exhaustive appendices Chase s is the one stop shop for everything from national days to celebrity birthdays or moon phases
