School Children Charles M. Harris, Nancy D. Gardenhour, 1976 Written for Children John Rowe Townsend, 1996-05-01
This revised and updated edition provides children's and young adult librarians, teachers, literature classes, and library school classes with an authoritative history and analysis of the best British and American children's literature through 1994, with a new 2003 postscript including such recent phenomena as J. K. Rowling and Philip Pullman. Written for Children traces the development of children's literature from its origins through the beginnings of the multimedia revolution. In effortless and entertaining style, Townsend, a world-renowned authority in the field, examines the changing attitudes toward children and their literature and analyzes the various strands that make up this important field. While examining many well-known American classics, Townsend also looks at British works that American audiences may have overlooked. With illustrations and bibliography. Books and Pamphlets, Including Serials and Contributions to Periodicals Library of Congress. Copyright Office, 1964 **Appalachian Children's Literature**, 2010-04-13 This comprehensive bibliography includes books written about or set in Appalachia from the 18th century to the present. Titles represent the entire region as defined by the Appalachian Regional Commission, including portions of 13 states stretching from southern New York to northern Mississippi. The bibliography is arranged in alphabetical order by author, and each title is accompanied by an annotation, most of which include composite reviews and critical analyses of the work. All classic genres of children's literature are represented.
