*Foreign Fighters in Ukraine* Kacper Rękawek, 2022-12-30 *Foreign Fighters in Ukraine* is the first comprehensive academic study taking an in depth look at foreigners who have chosen to fight in the conflict in Ukraine While there has been considerable focus in policy security and academic circles on the threat from returning jihadists so called returnee foreign terrorist fighters the same danger from right wing but not essentially terrorist extremists and others has been largely overlooked As Westerners rushed to join the nascent Caliphate in Syria Iraq others simultaneously traveled to another foreign war on what many would call Europe's doorstep the Russo Ukrainian war This book unmask this largely unknown group of fighters as the author dives into the fighters ideological and social backgrounds their motivations for joining the conflict their travails on the way there and their battle record in Eastern Ukraine To a large extent based on interviews with the fighters themselves it is a study on how and why men risk their lives while fighting a foreign war and attract the attention

of security services at home upon their return Particularly given the Russian invasion of Ukraine in February 2022 and the growing interest in far right violence worldwide the book evaluates whether these returnees constitute another security threat to the West This volume will be of interest to all those researching small wars terrorism peace and conflict studies and right wing extremism *I Am Sorge* Darvin Babiuk,2024-12-10 What if you were the greatest spy in modern history and no one believed you John le Carr compared Richard Sorge to his own fictional character George Smiley but argued that he was a better spy Kim Philby Britain s most notorious double agent described him as the spy to end all spies Mitsusada Yoshikawa the Japanese Prosecutor who had him executed said that in his whole life he had never met a greater man His name was Richard Sorge Sent by Soviet General Secretary Stalin to Tokyo just prior to WWII he kept Moscow intimately informed on the dual streams of conflicting internal Japanese policy of whether they would expand their empire by invading North into the USSR or South against British and American possessions in the Pacific Simultaneously he not only provided the exact dates Hitler would invade the USSR but also the intelligence that allowed the Soviet Union to transfer desperately needed Eastern troops keeping the Japanese at bay to the European front and stop Hitler s juggernaut saving the USSR in the process All it cost the USSR for another half century of existence was 40 000 All it cost Sorge was his life *USIA World* ,1995

Laurence Moore, Maurizio Vaudagna, 2018-07-05 The notion of an American Century has fallen out of favor in recent years historians prefer to focus on the United States as part of a transatlantic community The contributors to this volume edited by R Laurence Moore and Maurizio Vaudagna seek to understand how the exercise of American power was in crucial ways shaped and limited by the historic ties of the United States to Europe They evaluate the impact of the American Century as publisher Henry R Luce named it in 1941 from Woodrow Wilson s dream of a new world order to Cold War economic policies to more recent American cultural imperialism and its immediate descendent American led globalization The American Century in Europe gathers an international group of scholars who explore the ways twentieth century American power diplomatic cultural and economic has been felt across the Atlantic The authors demonstrate that the American Century was marked less by American
