

Economic Theories & Governments Guided Notes

- **Directions:** Please use the "Economic Theories & Governments" PowerPoint both in class, and, during Independent time to complete the Guided Notes. You will be filling in the blanks on your notes using the information presented. To help your recall of the information, I suggest using **Red**, **Blue**, or **Green** ink to identify the key information.

Economic System

- The ways that a country makes and spends money
- The distribution of goods, services, and wealth

Political System

- Politics and government
- System of laws and ideas that determines how a government is run

Capitalist

- an economic system
- Businesses, production, and distribution of wealth are owned by private individuals not the government
- Based on competition and free market

Socialism

- An economic and political system
- Businesses, production, and distribution of wealth are owned by the community
- Originally was considered a stepping stone toward communism

Communism

- Political and economic theory created by Karl Marx
- He originally believed all property would be owned by the government and shared equally, and people would work for the good of all
- Government is most important
- Has not proven to be an effective form of government

Fascism
