intelligence agency While the US was trying to quell extremists a highly secretive and compartmentalized wing of I S I known as Directorate S was covertly training arming and seeking to legitimize the Taliban in order to enlarge Pakistan s sphere of influence After 9 11 when fifty nine countries led by the U S deployed troops or provided aid to Afghanistan in an effort to flush out the Taliban and Al Qaeda the U S was set on an invisible slow motion collision course with Pakistan Today we know that the war in Afghanistan would falter badly because of military hubris at the highest levels of the Pentagon the drain on resources and provocation in the Muslim world caused by the U S led invasion of Iraq and corruption But more than anything as Coll makes painfully clear the war in Afghanistan was doomed because of the failure of the United States to apprehend the motivations and intentions of I S I s Directorate S This was a swirling and shadowy struggle of historic proportions which endured over a decade and across both the Bush and Obama administrations involving multiple secret intelligence agencies a litany of incongruous strategies and tactics and dozens of players including some of the most prominent military and political figures A sprawling American tragedy the war was an open clash of arms but also a covert melee of ideas secrets and subterranean violence Coll excavates this grand battle which took place away from the gaze of the American public With unsurpassed expertise original research and attention to detail he brings to life a narrative at once vast and intricate local and global propulsive and painstaking This is the definitive explanation of how America came to be so badly ensnared in an elaborate factional and seemingly interminable conflict in South Asia Nothing less than a forensic examination of the personal and political forces that shape world history Directorate S is a complete masterpiece of both investigative and narrative journalism *Resources in Education* ,2000 *Great Performances* Larry Lewin,Betty Jean
