Barker,2013-11-26 First Published in 2001 The purpose of this curriculum guide is to help student teachers and newly qualified teachers to make a start on learning how to become competent teachers of English Despite the emphasis given in training courses to the teaching of English newly qualified teachers often feel underprepared for it and frequently mention their concerns about this These concerns can be partly explained by a general lack of confidence in this key area and partly by widespread media and political criticism of the teaching of literacy It is also because it is often difficult for a student to make the connection between observation of key teaching strategies and his or her own personal practice *Promoting*

*Reading for Pleasure in the Primary School* Michael Lockwood,2008-06-24 Winner of the UKLA Author Award 2009

Lockwood has written a useful supportive book which will help teachers and librarians He describes the background and summarises the research and then proposes thoroughly practical programmes Carousel Michael Lockwood has produced an excellent practical overview and analysis of what works in the primary school to promote reading for pleasure Lockwood's work is grounded and valuable to those who need it most teachers in the classroom working hard to engender a love of reading English Drama Media This book is first class It puts the matter very clearly and succinctly and presents a great deal of evidence to support the argument that pleasure is not a frivolous extra but the very heart and essence of what reading is about It also gives readers plenty of ideas for carrying the principle into the classroom and for justifying it This is an excellent piece of work which I hope will find a place on every staffroom bookshelf Philip Pullman English primary school children are less likely to read for pleasure than their counterparts in many other countries This practical and focused book discusses the background to this situation and looks at how government initiatives have tried to address it Drawing on the author's own research project in order to identify good practice in promoting reading for enjoyment the book presents specific activities which teachers can use to develop their own whole school and classroom practice enabling them to put the fun back into reading Each chapter features case study material and provides examples of planning from schools that have successfully created thriving reading cultures through schemes such as reading assemblies book clubs library loyalty cards school book evenings and quizzes There is also an extensive annotated list of print and internet based resources Topics covered include Becoming a reading for pleasure school Promoting a love of reading in the early years Developing reading enjoyment in the later primary years Getting boys reading Promoting Reading for Pleasure in the Primary School is written for all those involved in education who would like to see as many children as possible develop a love of reading It will be particularly relevant for primary teachers teaching assistants trainee teachers advisers and consultants as well as teacher
