Radical Cosmopolitics James D. Ingram, 2013-09-24 While supporting the cosmopolitan pursuit of a world that respects all rights and interests James D Ingram believes political theorists have in their approach to this project compromised its egalitarian and emancipatory principles Focusing on recent debates without losing sight of cosmopolitanism s ancient and Enlightenment roots Ingram confronts the philosophical difficulties of defending universal ideals and the implications for ethics and political theory In morality as in politics theorists have generally focused first on discovering universal values and second on their implementation Ingram argues that only by prioritizing the development and articulation of universal values through political action in the fight for freedom and equality can theorists do justice to these efforts and cosmopolitanism s

universal vocation Only by proceeding from the local to the global from the bottom up rather than from the top down on the basis of political practice rather than moral ideals can we salvage moral and political universalism Ingram provides the clearest most systematic account yet of this schematic reversal and its radical possibilities *Number the Stars - Literature Kit Gr. 5-6* Nat Reed,2006-09-01 Experience the fear and danger of World War II as one girl risks her life to save her Jewish friend High quality detailed questions and support materials go beyond the typical drill questions Find proof from the text that shows Mama is determined and quick thinking Put events at the end of World War II in order that they happened in the novel Find examples of foreshadowing in the story and explain what it may be hinting at Match vocabulary words to their underlined synonyms in the sentences Create questions for the game Jeopardy using information from the story Conduct an interview with one of the characters from the book with questions and the character s response Aligned to your State Standards additional crossword word search comprehension quiz and answer key are also included About the Novel A story of a ten year old girl her family and their courageous journey to save the lives of their Jewish friends During the darkest days of World War II living in Copenhagen ten year old Annemarie Johansen is caught up in these unfolding historical events when she learns that the life of her best friend Ellen Rosen is in danger The Rosens go into hiding and Annemarie s parents volunteer to take Ellen into their home until the voyage to the safe country of Sweden can be arranged Annemarie is thrust into several perilous adventures as she does the utmost to save the lives of the Rosens Annemarie s courage and ingenuity are severely tested as she is forced to confront German soldiers intent on killing her friend Hands-On History: World History Activities Garth Sundem,Kristi Pikiewicz,2006-04-25 Making learning fun and interactive is a surefire way to excite your social studies students This book includes game formatted activities for major historical topics While the goal of these activities is to create excitement and to spark interest in further study they are also standards based and include grading rubrics and ideas for assessment Encouraging teamwork creativity intelligent reflection and decision making the games of Hands on History Activities will help you take an active approach to teaching while inspiring your students to make their own explorations of history
