Abstract:

The ISP is the entity specialized in the provision of the Internet services. Usually, such an entity provides the entire range of Internet services, which can be divided into two major groups: data transmissions and web services. The ISP has a very important place in the marketing environment of the modern organization being found within the close-in environment of the organization amongst the providers of the other services. The modern company has a relationship with its ISP at least as important as the ones with its bank, transporters or insurance companies. Nowadays, the question is not whether the online technologies are necessary for the company but how these technologies are implemented by the company (Porter, 2001, pag. 62). To have a presentation web site and at least one e-mail address is something ordinary for any organization.

Key words: marketing objectives, strategies, tactics, survey

JEL Classification: M31

The coordinates of the marketing policy which can be taken into consideration by the Internet service providers can be classified in marketing objectives, strategies and tactics.

The main marketing objectives can be summarized as follows: increase of sales in comparison to a prior period of time; increase of market share; increase in number of subscribers; improvement of client loyalty.

The market strategy criteria which can be approached by the Internet service providers can be grouped as follows: market dynamics; market structure; market requirements; market changes, competition (Florescu, et al., 1992, pag. 282); company's

Guidelines For Internet Marketing Policies Of Internet Marketing:

Guidelines for Internet Marketing John Parker, Senior Lecturer in African History John Parker, VI, 2015-01-06 Internet marketing or online marketing refers to advertising and marketing efforts that use the Web and email to drive direct sales via electronic commerce in addition to sales leads from Web sites or emails. Internet marketing and online advertising efforts are typically used in conjunction with traditional types of advertising like radio, television, newspapers, and magazines. Read this book further to know more details about Internet marketing. *From Clicks to Customers + BOOK BONUS (10 COMMANDMENTS FOR ALL INTERNET MARKETING)* Joseph Odeleye, 2024-05-20 The best manual for learning the ins and outs of online marketing is *From Clicks to Customers: 30 Essential Rules Every Online Marketer Must Follow*. This book, written by seasoned digital marketing specialist Joe Celphin, distills decades of industry experience into a structure that is both understandable and practical. Anyone looking to learn more about digital marketing should read this book. Whether you are a marketing student looking to apply their academic knowledge in the real world, a firm founder looking for ways to increase the impact of your early marketing efforts, a small business owner looking for low-cost ways to increase web awareness, or a marketing specialist seeking to stay current in their field and maintain a competitive advantage, *From Clicks to Customers* delves deeper into complex digital methods rather than simply introducing you to the fundamentals. Every one of the 30 guidelines serves as a key aspect in developing an effective digital marketing strategy. Rule 1: Know Your Audience. Like the Back of Your Hand: Effective Approaches to Acquiring and Utilizing Audience Data. Rule 10: Create Content That Converts: Advice on creating engaging and inspiring content for your audience. Rule 20: Optimize for Conversion: Not Just Clicks describes how to turn website visitors into paying clients. Rule 30: Analyze, Adapt, and Improve: Presents best practices for using analytics to constantly enhance and fine-tune your marketing operations. Why this particular book? Years of marketing knowledge are condensed to a few simple concepts in Joe Celphin's *From Clicks to Customers*, which covers every aspect of online marketing from A to Z. The book is intended to be extremely useful with practical suggestions and real-world examples demonstrating how each guideline can be applied in a variety of businesses.
