The Last Page Joe Edd Morris, 2015-09-30 Archaeologist Christopher Jordan and ancient manuscript expert Kathryn Ferguson are brought together by famed New Testament scholar Andrew Stewart of Edinburgh Scotland On a research expedition to Maaloula Syria Stewart stumbles across an ancient scroll a truncated rough draft of the gospel of Mark All evidence indicates John Mark is the author The completed autograph scroll the archaeological find of the millennium is believed to be in a cave in Maaloula Amid the Syrian revolt Chris and Kate travel to Maaloula Time is of the essence The obstacles are overwhelming Paralleling their perilous quest is John Mark's escape with the manuscript from the Roman siege of Jerusalem in 70 CE his journey to Damascus where he can complete his gospel and make copies for distribution throughout the empire A major theme threading the work is the resurrection Is the last page of the gospel of Mark missing Or did the author intend to leave the resurrection dangling shrouded in mystery The answer is in the last page Subject Guide to Books in Print, 1984 **I Won't Grow Up!** Anthony Balducci, 2015-12-09 A film archetype as old as film itself the man child has been an enduring comedy subject Classics as diverse as Hail the Conquering Hero 1944 and The Apartment 1960 have used the immature male to drive plots and press the importance of growing up But he was not born fully formed it took the shifting social norms of decades to mold the atrocious behavior of the puerile buffoon we know today The man child has come under scrutiny in recent years Prominent writers including David Denby and A O Scott have criticized the modern comedian behaving in shamelessly childish ways This book provides a comprehensive examination of the character of the man child from Andre Deed who debuted on screen in 1901 to Seth Rogen The author discusses changing cultural attitudes about maturity what it means to be an adult what it means to be a child and how those things are becoming increasingly confused **Bobby Braddock** Bobby Braddock, 2015-10-06 If you know country music you know Bobby Braddock Even if

[Stepsister Devotion: Complete Series](#) Eve Cates,2015-04-29 She had me at the word Run I first met my stepsister Abigail Dorset at a wedding my father had left my mom and married hers Cynthia Dorset the billionaire head of Dorset Industries I went there expecting to hate her Instead I found something much worse I found my soul mate It was in the form of a girl who looked just like Snow White and just like in the fairy tale there was a wicked stepmother who would do everything in her power to keep control over her daughter's destiny Being a Dorset meant you have to marry into the right gene pool and appear to be of the highest moral code Abigail's life was mapped out the day she was born I was seen as bump in the road a deviant boy who needed to be avoided at all costs So my stepmother kept us apart or so she thought From the moment we met Abigail and I knew there was something some invisible force that makes two people want the one thing they can't have But we wanted it anyway Over the years we would fight and lie sneak and hide we'd hurt those around us in our need to be together in whatever way we could But most of all we'd hurt each other and we'd hurt ourselves all in a bid to figure it out and find a way to finally be together because every day we spend apart feels like dying A life with love is magical Without it living is torture Follow Sebastian Hawke and Abigail Dorset as they embark on a journey of love and devotion kept secret spanning years Watch as it drives them together and tears them apart before bringing them together again older and wiser ready to find a way to do whatever it takes because being apart from the one person you were born to love isn't an option
