

Publishing your book

From proposal to publication

1. Submit proposal

Complete the Emerald new book proposal form and send it to the editor for your discipline. Your editor will acknowledge safe receipt as quickly as possible.

2. Internal editorial review

Your editor assesses your book's fit for our publishing list and raises questions or queries with you.

3. External peer review

Your proposal and any additional material will be sent out to a subject specialist for external, single blind peer review – we aim to get feedback to you in 4-6 weeks.

7. Manuscript submission

Your editor may commission a final review of your manuscript before we put it into production. Our editorial team will then check through your final manuscript.

6. Writing your book

You will be contacted regularly by our editorial team and we will be on hand for guidance and support as you prepare the manuscript for submission.

5. Contract

After approval by our internal Editorial Board meeting, your Editor will send you terms of our contract including extent, royalty and manuscript delivery date.

4. Response to peer review

You send your editor a full response to the review. You may need to revise and resubmit your proposal based on our peer review and discussions with your editor.

8. Production

Your book will go through copy editing, typesetting and indexing. You will be issued proofs. Your cover design will be finalized. We will publish your book 6 months, or on a fast-track schedule if your book is an Emerald Point.

9. Sales and marketing

When your book enters production our marketing and sales team start work to promote your book through our sales channels, and to support you with self-promotion.

10. Publication

You will be sent your free copies of your book, and additional information on how you can best help us promote it to the widest possible market.

How To Find Print Publish And Profit From Old Books Introduction

In the digital age, access to information has become easier than ever before. The ability to download How To Find Print Publish And Profit From Old Books has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download How To Find Print Publish And Profit From Old Books has opened up a world of possibilities. Downloading How To Find Print Publish And Profit From Old Books provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading How To Find Print Publish And Profit From Old Books has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download How To Find Print Publish And Profit From Old Books. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading How To Find Print Publish And Profit From Old Books. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading How To Find Print Publish And Profit From Old Books, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected

websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download How To Find Print Publish And Profit From Old Books has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
