

A close-up portrait of a man, Matt Hughes, looking directly at the camera. He is shirtless and has a slight smile. He is wearing a black boxing glove on his right hand, which is raised near his face. The background is a close-up of the American flag, showing the stars and stripes. The text "Made in America" is overlaid on the flag in a white, stylized font.

Matt Hughes Book Chapter:

Fighting Words Mike Straka, 2011 A collection of interviews with UFC President Dana White UFC fighter Frankie Edgar MMA referee John McCarthy Hall of Famer Matt Hughes and others *British Ways of Counter-insurgency* Matthew Hughes, 2016-04-08 This edited collection examines the British way in counter insurgency It brings together and consolidates new scholarship on the counter insurgency associated with the end of empire foregrounding a dark and violent history of British imperial rule one that stretched back to the nineteenth century and continued until the final collapse of the British Empire in the 1960s The essays gathered in the collection cover the period from the late nineteenth century to the 1960s they are both empirical and conceptual in tone This edited collection pivots on the theme of the nature of the force used by Britain against colonial insurgents It argues that the violence employed by British security forces in counter insurgency to maintain imperial rule is best seen from a maximal perspective contra traditional arguments that the British used minimum force to defeat colonial rebellions Case studies are drawn from across the British Empire covering a period of some hundred years but they concentrate on the savage wars of decolonisation after 1945 The collection includes a historiographical essay and one on the lost Hanslope archive by the scholar chosen by the Foreign and Commonwealth Office to manage the release of the papers held This book was published as a special issue of *Small Wars and Insurgencies*

Allenby and British Strategy in the Middle East, 1917-1919 Matthew Hughes, 2013-01-11 Examines British military political and imperial strategy in the Middle East during and immediately after the First World War in relation to General Allenby's command of the Egypt Expeditionary Force from June 1917 to November 1919
