*Beckett after Wittgenstein* Andre Furlani, 2015-11-30 Among the best represented authors in Samuel Beckett's library was Ludwig Wittgenstein yet the philosopher's relevance to the Nobel laureate's work is scarcely acknowledged and seldom elucidated *Beckett after Wittgenstein* is the first book to examine Beckett's formative encounters with and profound affinities to Wittgenstein's thought style and character While a number of influential critics including the philosopher Alain Badiou have discerned a transition in Beckett's work beginning in the late 1950s Furlani is the first to identify and clarify how this change occurs in conjunction with the writer's sustained engagement with Wittgenstein's thought on for example language cognition subjectivity alterity temporality belief hermeneutics logic and perception Drawing on a wealth of Beckett's archival materials much of it unpublished Furlani's study reveals the extent to which Wittgenstein fostered Beckett's views and emboldened his purposes

**Samuel Beckett's Lyric Failure** Mantra Mukim, 2025-03-06 Providing one of the first book length accounts of Samuel Beckett's poetry this work illustrates how Beckett's poetry and its failures reconfigure the lyric form Reading Beckett alongside nineteenth and twentieth century European poets such as Hlderlin Mallarm Rimbaud Montale and Apollinaire the book situates failure in the triangulation of the lyric impulse subjectivity and the human voice Beckett in his poems employs lyric tactics that range from deixis parataxis and caesura to specific kinds of timbre resonances and punctuations These tactics situate the poetic voice in the liminal points between life and death event and non event beginning and ending and more broadly between expression and failure The book frames these liminalities under the rubric of lyric failure Moving beyond the usual comparisons with his prose and drama the study highlights failure as a generative force that structures Beckett's anti expressive poetics

*Failing Desire* Karmen MacKendrick,2017-12-04 Draws on theology and queer theory to argue for the power of humiliating pleasures in a culture oriented very strongly to denying any enjoyment that is not about success Luckily for human diversity we are perfectly capable of desiring impossible things *Failing Desire* explores a particular set of these impossibilities those connected to humiliation These include the failure of autonomy in submission of inward privacy in confession of visual modesty in exhibition and of dignity in playing various roles Historically those who find pleasure in these failures range from ancient Cynics through early Christian monks to those now drawn by queer or perverse eroticism As Judith Halberstam pointed out in *The Queer Art of Failure* failure can actually be a mode of resistance to demands for what a culture defines as success Karmen MacKendrick draws on this interest in queer refusals To value desire or seek humiliation undercuts any striving for success but it draws our attention particularly to the failures of knowledge as a form of power whether that knowledge is of one body or of a population How can we understand will that seeks not to govern itself psychology that constructs inwardness by telling all blushing shame that delights in exposure or dignity that refuses its lofty position *Failing Desire* suggests that the power of these desires and pleasures comes out of the very realization that this question can never quite be answered In *Failing Desire* Karmen MacKendrick offers her readers something akin to a sequel to *Counterpleasures* Pursuing the negative affects of failure humiliation and shame across authors that inform much of her work Bataille Blanchot Augustine Foucault Kristeva and Laure MacKendrick effortlessly and breathlessly provides us with provocative new insights about the limitations of language the pleasures of submission and obedience and the wily unruliness of the flesh For her devotees the evocative prose and suggestive analysis will seem familiar without being stale or repetitious for novices her style and acumen will seem assured and electrifying MacKendrick breathes new life into authors texts and topics that have been at the forefront of critical engagements with embodiment desire and affect for the past several decades Kent L Brintnall author of *Ecce Homo The Male Body in Pain as Redemptive Figure*      **Lloyd's List Law Reports** ,1921

**The Enlightenment that Failed** Jonathan I. Israel,2019-11-28 The Enlightenment that Failed explores the growing rift between those Enlightenment trends and initiatives that appealed exclusively to elites and those aspiring to enlighten all of society by raising mankind s awareness freedoms and educational level generally Jonathan I Israel explains why the democratic and radical secularizing tendency of the Western Enlightenment after gaining some notable successes during the revolutionary era 1775 1820 in numerous countries especially in Europe North America and Spanish America ultimately failed He argues that a populist Robespierriente tendency sharply at odds with democratic values and freedom of expression gained an ideological advantage in France and that the negative reaction this generally provoked caused a more general anti Enlightenment reaction a surging anti intellectualism combined with forms of religious revival that largely undermined the longings of the deprived underprivileged and disadvantaged and ended by helping albeit often unwittingly conservative anti Enlightenment ideologies to dominate the scene The Enlightenment that Failed relates both the American and the French revolutions to the Enlightenment in a markedly different fashion from how this is usually done showing how both great revolutions were fundamentally split between bitterly opposed and utterly incompatible ideological tendencies Radical Enlightenment which had been an effective ideological challenge to the prevailing monarchical aristocratic status quo was weakened then almost entirely derailed and displaced from the Western consciousness in the 1830s and 1840s by the rise of Marxism and other forms of socialism **Publications of the Office of Juvenile Justice and Delinquency Prevention,**
