

## EXPOSITION

Hazel Grace Lancaster is a 16-year-old girl living with terminal cancer. Although the growth of her cancer has been slowed by an experimental drug, Hazel hopes for a cure by traveling her way through a rarebook business due to her desire to live longer, and she breathes with the help of a portable oxygen tank and tubes.

## CONFLICT

Hazel makes friends with a cancer-survivor named Augustus, but does not want to become romantically involved with him to avoid breaking his heart when she dies.

## RIISING ACTION

Hazel and Augustus grow closer together through a shared love of the book *An Imperial Attraction* by Peter Van Dooine. They write to Van Dooine to find out the details of his unfinished ending, and when he refuses to tell them, they plan a trip to visit him.

## CLIMAX

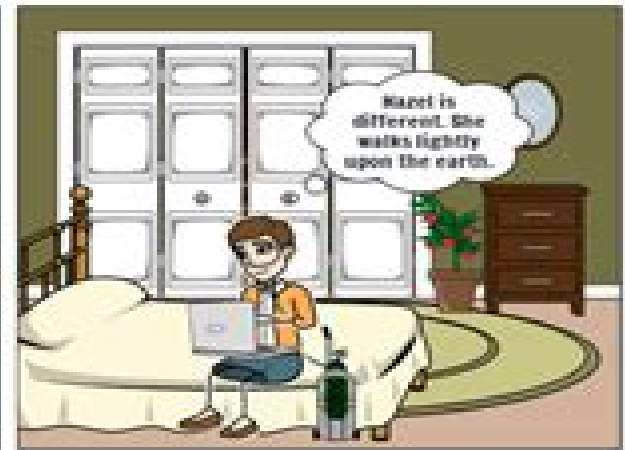

Hazel and Augustus are disappointed by Peter Van Dooine in Amsterdam, but they grow closer together as a result of the trip. Hazel agrees to begin a romantic relationship with Augustus only to learn that his cancer has returned and cannot be treated.

## FALLING ACTION

As Augustus's health deteriorates, Hazel and Gus grow closer together and help each other deal with their physical and emotional pain.

## RESOLUTION

Augustus dies, but Hazel is grateful to have loved him and feels comforted by the eulogy he left behind for her.
