

A man with dark, curly hair and glasses is sitting in a black chair. He is wearing a dark jacket and has his right hand covering his face, with his fingers spread across his eyes and nose. He appears to be crying or is very upset. In the background, a person's arm and hand are visible, resting on the back of the chair, suggesting a supportive presence. The setting appears to be indoors with some blurred background elements.

Do you want to talk about it?

This image is a continuation of the scene from the first image. The man is in the same position, still sitting in the black chair with his hand covering his face. His expression remains one of distress. The background and the person's arm behind him are also visible, maintaining the context of the scene.

No, I just want to cry and play video games.

The Final Test Huw Turbervill, 2025-04-24 A compelling book Test cricket is hanging on It's a worry Graham Gooch Huw Turbervill is the ultimate passionate polemicist for the Test format with a zeal that manages to weave both George Orwell and Basil Fawlty into his arguments David Gower OBE As cricket expands into ever more formats and franchise leagues more and more voices are to be heard but the editor of The Cricketer should always be listened to Scyld Berry The editor of The Cricketer goes on a soul-searching journey to discover what the future holds for Test cricket As T20 grows like Japanese knotweed Test cricket is in mortal danger White ball tournaments mainly T20 and T10 are now sprouting in places like the US and Saudi Arabia and Test cricketers are commonly being offered all-year-round contracts by IPL owners allowing them to play short-form tournaments in the West Indies the UAE and elsewhere The IPL has expanded but Australia's Big Bash is contracting the 2023 men's Ashes were constricted into a tiny window but The Hundred continues to dominate Is there still hope for Test cricket in this tumultuous sporting landscape Turbervill recalls the poignancy of the final Test of the English summer at The Oval in 2022 and describes how the match could be seen as a metaphor for the demise of the longer game As cricket fans seem divided in the sport's own version of the culture wars traditionalists refusing to accede territory pragmatists wanting to achieve a healthy balance and progressives conceding the change Turbervill asks cricketers commentators and writers about the future of Test cricket With guest appearances including David Gower Graham Gooch Merv Hughes Reece Topley and many more this book reveals if Test cricket can truly survive the next decade
