Female Domination Controlled Used And Abused:

Woman Abuse in Rural Places Walter S. DeKeseredy, 2020-11-29 This book chronicles key contemporary developments in the social scientific study of various types of male to female abuse in rural places and suggests new directions in research theory and policy The main objective of this book is not to simply provide a dry recitation of the extant literature on the abuse of rural women in private places To be sure this material is covered but rural women s experiences of crimes of the powerful like genocidal rape and corporate violence against female employees are also examined Written by a celebrated expert on the subject this book considers woman abuse in a broad context covering forms of violence such as physical and sexual assault coercive control genocidal rape abortion bans forced pregnancy and corporate forms of violence It offers a broad research agenda that examines the multidimensional nature of violence against rural women Drawing on decades of work in the shelter movement with activist organizations and doing government research DeKeseredy punctuates the book with stories and voices of perpetrators and survivors of abuse Additionally what makes this book unique is that it focuses on the plight of rural women around the world and it introduces a modified version of Liz Kelly s original continuum of sexual violence An accessible and compelling read this book will appeal to students and scholars of criminology sociology women s studies cultural studies policing geography and all those interested in learning about the abuse women face in rural areas Walter S DeKeseredy is Anna Deane Carlson Endowed Chair of Social Sciences Director of the Research Center on Violence and Professor of Sociology at West Virginia University He has published 26 books over 100 refereed journal articles and 90 scholarly book chapters on issues such as woman abuse rural criminology and criminological theory *Coercive Control* Charlotte Barlow, Sandra Walklate, 2022-01-18 This book offers a critical appreciation of the nature and impact of coercive control in interpersonal relationships It examines what this concept means who is impacted by the behaviours it captures and how academics policymakers and policy advocates have responded to the increasing recognition of the deleterious effects that coercive control has on especially women s lives The book discusses the historical emergence of this concept who its main proponents have been and how its effects have been understood It considers the role of coercive control in making sense of women s pathway into crime as well as their experiences of it as victims Coercive control has been presented predominantly as a gendered process and consideration is given in this book to the efficacy of this assumption as well as the extent to which the concept makes sense for a wide constituency of marginalized women In recent years much energy has been given to efforts to criminalize coercive control and the concerns that these efforts generate are discussed in detail alongside what the limitations to such initiatives might be In conclusion the book situates the rising pre occupation with coercive control within the broader concerns with policy transfer ways of taking account of victim survivor voices alongside the importance of working towards more holistic policy responses to violence s against women The book will be of particular interest to academics policymakers and practitioners working in criminal justice who wish to understand both the nature and

extent of coercive control and the importance of appreciating the role of nuance in translating that understanding into practice

Female Relational Aggression and Domestic Abuse Conrad Riker, This book explores the manipulative tactics women use in relationships such as nagging relational aggression animus possession and blaming men for everything It delves into the use of institutions like social services and the police to control and oppress men as well as the use of children as tools to extort money from the state and from men The book aims to debunk the influence of progressive ideologies and provide a macho patriarchal and rational perspective based on objective facts

Female Control William Eberhard, 2019-12-31 A growing body of evidence has begun to reveal flaws in the traditional assumption of female passivity and lack of discrimination after copulation has begun William Eberhard has compiled an impressive array of research on the ability of females to shape the outcome of mating He describes studies of many different cryptic mechanisms by which a female can accept a male for copulation but nevertheless reject him as a father Evidence from various fields indicates that such selectivity by females may be the norm rather than the exception Because most post copulatory competition between males for paternity is played out within the bodies of females female behavior morphology and physiology probably often influence male success in these contests Eberhard draws examples from a diversity of organisms ranging from ctenophores to scorpions nematodes to frogs and crickets to humans Cryptic female choice establishes a new bridge between sexual selection theory and reproductive physiology in particular the physiological effects of male seminal products on female reproductive processes such as sperm transport oviposition and remating Eberhard interweaves his review of previous studies with speculation on the consequences of this theoretical development and indicates promising new directions for future research

Coercive Control Evan Stark, 2009-03-01 One of the most important books ever written on domestic violence Coercive Control breaks through entrenched views of physical abuse that have ultimately failed to protect women Evan Stark founder of one of America's first battered women's shelters shows how domestic violence is neither primarily domestic nor necessarily violent but a pattern of controlling behaviors more akin to terrorism and hostage taking Drawing on court records interviews and FBI statistics Stark details coercive strategies that men use to deny women their very personhood from beeper games to food logs to micromanaging dress speech sexual activity and work Stark urges us to move beyond the injury model and focus on the real victimization that allows men to violate women's human rights with impunity Provocative and brilliantly argued Coercive Control reframes abuse as a liberty crime rather than a crime of assault and points the way to bringing real equality for women in line with their formal rights to personhood and citizenship freedom and safety

Abuse, Power and Fearful Obedience Jennifer G. Bird, 2013-05-01 Jennifer G Bird analyzes the construction of wives subjectivity in 1 Peter working primarily with what is referred to as the Haustafel household code section and engaging feminist critical questions postcolonial theory and materialist theory in her analysis Bird examines the two crucial labels for understanding Petrine Christian identity aliens and refugees and royal priesthood and holy nation And finds them to stand in

start contrast with the commands and identity given to wives in the Haustafel section Similarly the command to honour the Emperor which immediately precedes the Haustafel engenders a rich discussion of the text's socio political implications The critical engagement of several symptomatic irruptions within the commands to the wives uncovers the abusive dynamic underlying this section of the letter Finally Bird considers the present day implications of her study Publisher description

Perceptions of Female Offenders Brenda Russell, 2012-12-09 Female offenders are often perceived as victims who commit crimes as a self defense mechanism or as criminal deviants whose actions strayed from typical womanly behavior Such cultural norms for violence exist in our gendered society and there has been scholarly debate about how male and female offenders are perceived and how this perception leads to differential treatment in the criminal justice system This debate is primarily based upon theories associated with stereotypes and social norms and how these prescriptive norms can influence both public and criminal justice response Scholars in psychology sociology and criminology have found that female offenders are perceived differently than male offenders and this ultimately leads to differential treatment in the criminal justice system This interdisciplinary book provides an evidence based approach of how female offenders are perceived in society and how this translates to differential treatment within the criminal justice system and explores the ramifications of such differences Quite often perceptions of female offenders are at odds with research findings This book will provide a comprehensive evidence based review of the research that is valuable to laypersons researchers practitioners advocates treatment providers lawyers judges and anyone interested in equality in the criminal

justice system Woman-battering Carol J. Adams, Written by a new generation of recognized experts in pastoral care these brief foundational books offer practical advice to pastors on the most frequent dilemmas of pastoral care and counseling

Living on the Edge of the Edge Ruth Elizabeth Krall, Lisa Schirch, PhD, 2017-06-19 There are several divisive issues that separate Christian from Christian in the current century One issue is the church's management of clergy sexual abuses of children teens and adults A second is the issue of sexual gender orientation and church membership Contemporary Christian denominations often intermingle the divisive issue of clergy and religious leader sexual abusiveness with the equally divisive issue of sexual gender orientation In this book Professors Krall and Schirch disentangle and discuss these two issues They discuss their personal and their professional opinions about ways in which religious and spiritual teaching communities can avoid the institutional perils of abusive clericalism and divisive denominational management practices Throughout the book they apply Anabaptist Mennonite principles of peace making in situations of sexual violation Case studies are provided A feminist hermeneutic is applied Each letter essay is auto ethnographic in style the professional and the personal are deliberately blurred inside a framework of narrative and story Each essay is deeply rooted in its author's academic interests and in her personal life history This book can be a text in graduate and undergraduate classrooms It can also be used in denominational self study programs *Readings in the Philosophy of Law - Third Edition* Keith C.
