SERVICE BULLETIN Tractor Serial Numbers

Ferguson

Every week we get people ringing us up at Massey Ferguson making enquires of the age of their tractor. We have listed below the serial numbers and year of manufacture of the TE-20, FE-35 and the MF-65 (MF-765) taken from Service Bulletins of the time, we have also included illustrations showing the location of the serial number plates.

The year of manufacture can only be determined from the serial number plate. No records were kept relating the engine serial number to the tractor serial number.
