the unfamiliar room washed out in glaring light turning his eyes only Since everything else hurt to move including his grumpy waking up face he decided not to push his luck Why everyone was looking at him was disconcerting Why he was in a strange bed was puzzling How he arrived here was confusing And why Lady Celine was in a similarly uncomfortable bed next to him was baffling Persephone leaned forward and shoved something cold between his lips Her only instruction was Open Curiosity giving way to trust Samson realized it was an ice chip The sweet explosion of cold and wet water in his mouth tasted better than any meal he had ever had The prone Lady Celine was the first to sarcastically assault him So Mister First Gladiator of the Empire what has been running through your head the last three quarters of an hour Baffled by the question a different question of his own arrived in his mind All he could croak through his dried tongue and lips was Time Lady Celine looked sunken and pale in her bed The fluid tubes running into her from every direction indicated hospital of some kind as his brain started coming up to speed Phyllip grumbled Almost time for dinner and time for you to answer the question
