ANNE ROBINSON

Foundations For Youth Justice Positive Approaches To Practice

John Muncie, SAGE Publications Ltd

Foundations For Youth Justice Positive Approaches To Practice:

Foundations for Youth Justice Anne Robinson, 2014-02-28 How can youth justice refocus its attentions on the rights and perspectives of young people in transition This exciting new book outlines the state of practice now in flux within structures created by New Labour but moving in a different direction under the Coalition Government With a loosening of rules and prescription it explores opportunities for a fresh orientation that places young people at the centre and works collaboratively to nurture strengths competences and capital The chapters build a picture of the risks and problems that modern society creates for young people while acknowledging that society must respond when their behaviours legitimately cause risks and problems for others The burning question is how we do so and this book proposes a critical perspective that leads into a bold but realistic remodelling of practice It will be ideal for students of youth justice and criminal justice on foundation post qualifying or professional CPD courses

Youth Justice Stephen Case, 2021-07-08 This book provides a comprehensive student friendly and critical introduction to youth justice in England and Wales offering a balanced evaluation of its development rationale nature and evidence base It explores the evolution of definitions and explanations of youth offending and examines the responses to it that constitute youth justice Bringing together theory policy and practice this book provides a balanced exposition of contemporary youth justice debates including detailed discussions of governmental rationales policy developments practical issues and an extensive evaluation of critical academic positions It includes a range of features designed to engage and inspire students Stop and think Activities challenging students to reflect on important issues Conversations Discussions of key themes and issues from the perspectives and experiences of relevant stakeholders including policy makers and activists Telling it like it is Testimonies giving voice to the personalised subjective and contentious viewpoints of youth justice influencers Controversies and debates Prompts to stimulate students to question and critique established knowledge and understanding by considering alternative angles Recurring theme alerts Boxes flagging recurring themes in the developing construction of youth offending and youth justice The new edition has been fully revised and updated and includes discussion of revised National Standards in Youth Justice the new Child First strategic objective for youth justice the trauma informed practice movement the impact of coronavirus on children in the Youth Justice System and the continued impact of austerity on policy and practice This book is essential reading for students taking courses in youth justice youth offending youth crime youth work and social policy

The Routledge Companion to Rehabilitative Work in Criminal Justice Pamela Ugwudike, Hannah Graham, Fergus McNeill, Peter Raynor, Faye S. Taxman, Chris Trotter, 2019-09-12 All the world s criminal justice systems need to undertake direct work with people who have come into their care or are under their supervision as a result of criminal offences Typically this is organized in penal and correctional services in custody in prisons or in the community supervised by services such as probation Bringing together international experts this book is the go to source for students researchers and practitioners in criminal justice looking for a

comprehensive and authoritative summary of available knowledge in the field Covering a variety of contexts settings needs and approaches and drawing on theory and practice this Companion brings together over 90 entries offering readers concise and definitive overviews of a range of key contemporary issues on working with offenders The book is split into thematic sections and includes coverage of Theories and models for working with offenders Policy contexts of offender supervision and rehabilitation Direct work with offenders Control surveillance and practice Resettlement Application to specific groups including female offenders young offenders families and ethnic minorities Application to specific needs and contexts such as substance misuse mental health violence and risk assessment Practitioner and offender perspectives The development of an evidence base This book is an essential and flexible resource for researchers and practitioners alike and is an authoritative guide for students taking courses on working with offenders criminal justice policy probation prisons penology and community corrections

Social Work with Children and Families Steve Rogowski, 2016-04-20 Professional social work has changed considerably over the last forty years coinciding with the demise of the social democratic consensus of the post war years and the emergence and now domination of neoliberalism Rather than the state through the government of the day ensuring citizens basic needs were met via the welfare state the belief in free market economics entails people having to be self reliant and self responsible This has involved social work with children and families moving from a helping and supportive role to one that is more authoritarian this often involving telling parents to change their behaviour and lifestyle or face the consequences This book outlines the development of social work with children and families over the period in question drawing on the author's unique practice experience and his extensive writings It charts the highs and lows of social work the latter including the dominance of managerialism which emphasises speedy completion of bureaucracy so as to ration resources and assess manage risk Despite this the argument is for a critical practice which addresses service users immediate needs while simultaneously aiming towards a more socially just and equal society This book is essential reading for everyone interested in social work including academics students practitioners and managers both in the UK and overseas Social care and allied professionals more generally will also find it insightful as will academics students and educators of social policy and related disciplines

Desistance and Children Alexandra Wigzell, Claire Paterson-Young, Tim Bateman, 2024-05-31 Available open access digitally under CC BY NC ND licence Desistance understanding how people move away from offending has become a significant policy focus in recent years with desistance thinking transplanted from the adult to the youth justice system in England and Wales This book is the first to critique this approach to justice involved children many of whom are yet to fully develop an identity criminal or otherwise from which to desist Featuring voices from academia policy and practice this book explores practical approaches to desistance with children in the Child First context It gives new insights into how children can be supported to move away from offending and proposes reforms to make a meaningful difference to children's lives

Moving on From Crime and Substance Use Robinson, Anne, Hamilton,

Paula, 2016-09-21 Desistance is one of the big news stories of the criminological world Research suggests that as offenders turn their backs on crime they often change their identities as well as their behaviour Yet we know much less about how reforming or transforming identity might be affected by gender age or ethnicity This book focuses on diversity and showcases research from a wide range of authors in the field It considers the similarities and differences between desisting from crime and recovering from addiction Taking the desistance and recovery debates in unfamiliar directions it examines the experiences of change for individuals seeking healthier and more successful futures *Youth and Crime* John Muncie, SAGE Publications Ltd, 2021-03-03 The most comprehensive and authoritative textbook on youth crime and youth justice Extensively updated to reflect changes in the youth justice system and contemporary debates around youth crime this fifth edition of *Youth and Crime* Includes new chapters on developmental and life course theories and punitive justice strategies Has been significantly expanded with new sections on the politicisation of youth crime knife crime and gangs child refugees climate justice child on child homicide and localised criminal exploitation Features increased coverage of policing strategies including sections on policing public space and rethinking youth justice Complete with a new two colour design chapter outlines summary boxes study questions further reading lists useful website lists and a glossary this textbook expertly guides students through their studies in youth and crime **Emotional Labour in Criminal Justice and Criminology** Jake Phillips, Jaime Waters, Chalen Westaby, Andrew Fowler, 2020-06-04 This book is the first volume to explore criminal justice work and criminological research through the lens of emotional labour A concept first coined 30 years ago emotional labour seeks to explore the ways in which people manage their emotions in order to achieve the aims of their organisations and the subsequent impact of this is on workers and service users The chapters in this edited collection explore work in a wide range of criminal justice institutions as well as the penal voluntary sector In addition to literature review chapters which consolidate what we already know this book includes case study chapters which extend our knowledge of how emotional labour is performed in specific contexts and in relation to certain types of work *Emotional Labour in Criminal Justice and Criminology* covers topics such as prisoners who die from natural causes in prison to the work of independent domestic violence advisors and the use of emotion by death penalty lawyers in the US An accessible and compelling read this book presents ground breaking qualitative and quantitative research which will be critical to criminologists criminal justice practitioners students of criminology and academics in the fields of social policy and public service *The Palgrave Handbook of Education Law for Schools* Karen Trimmer, Roselyn Dixon, Yvonne S. Findlay, 2018-06-30 This Handbook examines the essential nature of the law within an educational context and asks why there is not greater preparation for this aspect of a teacher's role Principals and teachers across the world now work in increasingly uncertain and challenging environments involving complex legislative frameworks with their roles and responsibilities constantly changing to meet these demands thus it is imperative that educators adapt and acquire new skills relating to child protection and criminal law

On a daily basis teachers and practitioners are being challenged to critically examine and evaluate the legal rights and obligations of various stakeholders including students parents educators and administrators However if these skills are not developed the implications will be significant particularly so if principals are deterred from pursuing innovative education strategies due to potential litigation risks Consequently the chapters will empower principals and teachers in the management of these concerns This wide ranging handbook including case studies from around the world will be of interest and value to both scholars of education law and practitioners

Positive Youth Justice Haines, Kevin,Case,

Stephen,2015-06-29 This topical accessibly written book moves beyond established critiques to outline a model of positive youth justice Children First Offenders Second Already in use in Wales the proposed model promotes child friendly diversionary inclusive engaging promotional practice and legitimate partnership between children and adults which can serve as a blueprint for other local authorities and countries Setting out a progressive positive and principled model of youth justice the book will appeal to academics students practitioners and policy makers seeking to improve working practices and outcomes and will make an important contribution to the debate on youth justice policy

A Return to Social Justice

Jessica Urwin,2018-02-24 Youth justice has always focused on criminal justice but this work argues that taking a social justice approach is the best way to reduce youth crime Drawing on philosophy new research and practitioners views a new organizational structure and approach is developed Urwin outlines the philosophical and historical background of youth justice and clarifies how this has led to problems within current practice Prominent debates within the field are also explored in depth such as care vs control and the issue of professional identity Ultimately all of these factors are considered in relation to the organizational structure of youth justice and this bold and engaging study highlights the need for a more principled approach to practice Timely and authoritative this book is will be of great interest to youth justice practitioners academics students and those who would like to apply social justice to social institutions

The Government's approach to crime prevention Great Britain: Parliament: House of Commons: Home Affairs Committee,2010-03-29 Government s approach to crime Prevention Tenth report of session 2009 10 Vol 2 Oral and written Evidence

Child First Stephen Case,Neal

Hazel,2023-03-19 This book explores the development and implementation of Child First as an innovative guiding principle for improving youth justice systems Applying contemporary research understandings of what leads to positive child outcomes and safer communities Child First challenges traditional risk led and stigmatising approaches to working with children in trouble It has now been adopted as the four point guiding principle for all policy and practice across the youth justice system in England and Wales it is becoming a key reform principle for youth justice in Northern Ireland and it is increasingly influential across several western jurisdictions With contributions from academics policymakers and practitioners this book critically charts the progress and challenges in establishing a progressive evidence led youth justice system Its dynamic and accessible integration of theory research policy and practice alongside discussion of critical themes makes it a key read for

students on youth crime justice modules and for a wider market Stephen Case is Professor of Youth Justice in the Criminology Sociology and Social Policy division at Loughborough University UK Neal Hazel is Professor of Criminology and Criminal Justice in the School of Health and Society at the University of Salford UK

Assessment in Youth Justice Baker, Kerry, Kelly, Gill, Bernadette Wilkinson, 2011-02-09 This book provides a comprehensive introduction to the theory and practice of assessment and intervention planning with young people who offend It will help equip practitioners with the knowledge and professional skills central to these critically important tasks The context for practice is changing rapidly and the authors take into account current policy developments along with a wide range of literature on assessment practice in criminal justice and social care The book encourages readers to think critically and to take practical steps to enhance their own practice It will be important reading for anyone working with young people who offend

Just Care Belinda Hopkins, 2009-09-15 In this photocopiable resource Belinda Hopkins identifies the practical benefits of employing the restorative approach and offers a fresh look at encouraging self regulation through the promotion of pro social behaviour and greater involvement of the young people themselves in making choices that address everyone's needs

Youth Offending in Context Stephen Case, 2025-04-08 Identifying and exploring the challenges in understanding and responding to youth crime this book investigates the different contexts which contribute to youth offending as well as those which either help or hinder effective youth justice responses to it Supporting readers to evaluate traditional understandings and responses to youth offending this critical evidence based text engages with a variety of international case studies practice examples and expert perspectives from academic researchers in the field Delving into theoretical conceptual empirical policy and practice issues Youth Offending in Context will be of great value to students of youth justice youth offending youth crime crime prevention and criminal justice

The Moral Foundations of the Youth Justice System Raymond Arthur, 2016-12-01 When is it fair to hold young people criminally responsible If young people lack the capacity to make a meaningful choice and to control their impulses should they be held criminally culpable for their behaviour In what ways is the immaturity of young offenders relevant to their blameworthiness Should youth offending behaviour be proscribed by criminal law These are just some of the questions asked in this thoughtful and provocative book In The Moral Foundations of the Youth Justice System Raymond Arthur explores international and historical evidence on how societies regulate criminal behaviour by young people and undertakes a careful examination of the developmental capacities and processes that are relevant to young people's criminal choices He argues that the youth justice response needs to be reconceptualised in a context where one of the central objectives of institutions regulating children and young people's behaviour is to support the interests and welfare of those children This timely book advocates a revolutionary transformation of the structure and process of contemporary youth justice law a synthesised and integrated approach that is clearly distinct from that used for dealing with adults This book is a key resource for students academics and practitioners across fields including criminal law youth justice probation and social

work **Young People, Crime and Justice** Roger Hopkins Burke, 2016-03-24 In the minds of the general public young people and crime are intrinsically linked wide spread belief persists that such activities are a result of the permissive 1960s and the changing face of the traditional nuclear family Roger Hopkins Burke challenges these preconceptions and offers a detailed and comprehensive introduction to youth crime and the subsequent response from the criminal justice system This extended and fully updated new edition explores The development of young people and attempts to educate discipline control and construct them Criminological explanations and empirical evidence of why young people become involved in criminality The system established by the Youth Justice Board its theoretical foundations and the extent of its success Alternative approaches to youth justice around the globe and the apparent homogenisation throughout the neoliberal world The second edition also includes new chapters looking at youth justice in the wider context of social policy and comparative youth justice Young People Crime and Justice is the perfect undergraduate critical introduction to the youth justice system following a unique left realist perspective while providing a balanced account of the critical criminology agenda locating the practical working of the system in the critical socio economic context It is essential reading for students taking modules on youth crime youth justice and contemporary social and criminal justice policy Text features include key points chapter summaries and review questions Youth Justice in Practice Whyte, Bill, 2009 This book examines youth justice in a UK and international context highlighting the challenge facing all jurisdictions in balancing welfare and justice It explores the impact of political ideas and influences on the structural and practical challenges of delivering youth justice *Theories of Change in Reality* Andrew Koleros, Marie-Hélène Adrien, Tony Tyrrell, 2024-06-07 For over 50 years evaluators have used theories of change to articulate the causal logic underpinning how an intervention is intended to bring about a desired change From its origins in programme evaluation the approach has been adopted more widely for purposes from program design to program management As theories of change continue to be used for multiple purposes it is an opportune moment for the evaluation community where the approach originated to provide their perspective on the strengths and limitations of the approach and its future directions To provide these perspectives we asked nearly 30 of the world's leading evaluators and programme theorists to provide a short essay on the past present and future of theories of change This book presents their insights organized into five main themes the use of theories of change in broader public policy contexts using theories of change to establish causality developing theories of change reflective of multiple stakeholder perspectives using theories of change to understand wider societal change processes and applying theories of change approaches for multiple purposes By sharing these diverse perspectives the book aims to both provide evaluators and emerging programme theorists with critical perspectives to inform future practice The Open Access version of this book available at www.taylorfrancis.com has been made available under a Creative Commons Attribution Non Commercial No Derivatives CC BY NC ND 4.0 license

Foundations For Youth Justice Positive Approaches To Practice Introduction

In today's digital age, the availability of Foundations For Youth Justice Positive Approaches To Practice books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Foundations For Youth Justice Positive Approaches To Practice books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Foundations For Youth Justice Positive Approaches To Practice books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Foundations For Youth Justice Positive Approaches To Practice versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Foundations For Youth Justice Positive Approaches To Practice books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Foundations For Youth Justice Positive Approaches To Practice books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Foundations For Youth Justice Positive Approaches To Practice books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions

of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Foundations For Youth Justice Positive Approaches To Practice books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Foundations For Youth Justice Positive Approaches To Practice books and manuals for download and embark on your journey of knowledge?
