

What is a Founding Father?

Most likely you have heard the term, "Founding Father". It is often heard when discussing the beginning of an idea, a concept, the start of a business, or some other important and memorable event or activity. For example, **Robert Babbage** is often called the "Father of the Computer" due to his work in the field of technology, and **Bill Gates** and **Steve Jobs** are sometimes called the "Father of Microsoft" and the "Father of Apple" respectively.

Of course, there have been women too who could also be referred to as "Founding Mothers", such as someone like **Elizabeth Cady Stanton**, who might be referred to as the "Founding Mother of Women's Equal Rights" based on her work fighting for the rights of women in America. Finally, several more women could be called "Founding Mothers" especially those who stood beside the "Founding Fathers" of America.

The term "Founding Father" is usually heard when speaking of certain presidents like **George Washington** and **Thomas Jefferson**. But what exactly does that term mean? The Founding Fathers include several individuals who were part of the original Thirteen Colonies of the United States who led the fight during the American Revolution against the British. They fought with words and deeds to establish and contribute to the founding and the beginning of the United States of America.

Who are the Founding Fathers?

The seven individuals most often credited with founding America include Washington, Jefferson, **John Adams**, **Benjamin Franklin**, **Alexander Hamilton**, **John Jay**, and **James Madison**. Except for Franklin, Hamilton, and Jay, each of the other Founding Fathers became President of the United States.

Three important documents led to American independence from Britain, including the **Declaration of Independence** first drafted by a **Committee of Five** which included Adams, Jefferson, and Franklin. A document advocating ratification of the **Constitution** (the law of the land) were **The Federalist Papers**, authored by Hamilton, Madison, and Jay. Finally, Jay, Adams, and Franklin negotiated the **Treaty of Paris** that ended the American Revolution.

can disrupt and transform racism in education When racist curriculum goes viral on social media it is typically dismissed as an isolated incident from a bad teacher Educator Bree Picower however holds that racist curriculum isn't an anomaly It's a systemic problem that reflects how Whiteness is embedded and reproduced in education In *Reading Writing and Racism* Picower argues that White teachers must reframe their understanding about race in order to advance racial justice and that this must begin in teacher education programs Drawing on her experience teaching and developing a program that prepares teachers to focus on social justice and antiracism Picower demonstrates how teachers' ideology of race consciously or unconsciously shapes how they teach race in the classroom She also examines current examples of racist curricula that have gone viral to demonstrate how Whiteness is entrenched in schools and how this reinforces racial hierarchies in the younger generation With a focus on institutional strategies Picower shows how racial justice can be built into programs across the teacher education pipeline from admission to induction By examining the who what why and how of racial justice teacher education she provides radical possibilities for transforming how teachers think about and teach about race in their classrooms Congressional Record United States.
