*Fountain of Christianity* Hazrat Mirza Ghulam Ahmad, 2008 The Promised Messiah as wrote Fountain of Christianity in March 1906 in response to the book Yansbi ul Islam in which a Christian gentleman has tried to prove that the Holy Quran does not contain any new teachings and that the Holy Prophet sa merely copied the narratives from past scriptures God forbid The Promised Messiah as responded to this objection first by raising serious doubts about the authenticity of the Christian Gospels and then went on to show how the Holy Quran is a unique and peerless book how so many of its prophecies have been fulfilled and how its blessings live on to this day In this small book the author also argues against the doctrines of Trinity and Atonement held by present day Christians and shows that these beliefs have nothing to do with the teachings of Jesus as himself The second part of the book or Epilogue consists of a profound thesis on the meaning of true salvation The Promised Messiah as describes salvation as The abiding peace and happiness which man by his very nature hungers and thirsts for and which is achieved through personal love and recognition of God and through a perfect relationship with Him
