**Business Contracts Handbook** Charles Boundy,2016-04-08 If money is the lifeblood of business contracts are the arteries that help carry it around the commercial body Anyone in business is liable to have to deal with business contracts but few are trained to do so Even those that are trained may have experience in limited areas or in the distant past But the right contract can make a vital difference not just to recording and enforcing if need be the contract terms but also in ensuring the agreement deals with the real issues and approaches them in a practical way Finding help in this area is not easy as the market tends to offer little between serious

academic tomes on the one hand and student summaries geared to exams on the other Business Contracts Handbook fills that gap covering both the basics of contract law in an accessible style and using a thoroughly practical approach to understanding and negotiating the key terms in a business contract If you have little prior knowledge Charles Boundy s many years of experience in drafting and providing guidance on business agreements of all kinds will enable you to acquire a working background quickly If you have years of experience you will still benefit from a checklist a reminder of what is important and why and an easy reference to up to date language and drafting there is always more to learn
