Operator's Manual ,1989 **Operator's Manual** ,1990 **Operator's Manual** ,1989 Manual for the Wheeled
Vehicle Operator Department of the Army,2008-12-31 This TC applies to the Active Army the Army National Guard the
United States Army Reserve and the United States Air Force Active and Reserve components The term Driver is being
replaced with the term Operator throughout this publication The term driver implies that all the Soldier must do is drive the
vehicle Today s military operator does considerably more than just drive The term operator reflects a requirement to master
every aspect of the vehicle s capabilities and limitations to include all current sub components such as technologically
advanced communications navigation and intercom systems onboard material handling cranes self recovery winches
integrated night vision devices weapons support systems onboard electronic diagnostic systems and load responsibility
Instructions in this TC will help the wheeled vehicle operator maintain a high degree of driving efficiency This TC does not
restrict its contents to any one particular vehicle It is a guide to normal everyday operations and to driving under difficult
conditions When more information is needed for a specific vehicle check the technical manual written for that vehicle
