House Calls Callaghan Brothers English Edition:

House Calls Abbie Zanders, 2015-01-05 Maggie Flynn has always been a good girl She leads a simple life and believes in helping others Under normal circumstances she would never even consider performing the dance of the seven veils at a bachelor party But when her best friend begs for help and waves the promise of much needed cash in her face Maggie reluctantly agrees to step outside of her comfort zone and relax her lofty standards a little Most doctors don't make house calls anymore including Michael Callaghan But he's willing to make an exception when the pretty redhead with the jewel like green eyes takes a header off the stage at his brother's bachelor party Something about her piques his masculine interest and it's not just her dancing Lightning hits the Callaghan clan a third time when Michael and Maggie find themselves snowbound during a classic nor'easter but their bond is soon tested when Michael is forced to choose between following his finely honed instincts and respecting Maggie's wishes It's a hell of a choice Either way he could lose her forever **A**
