The Humanistic Tradition Gloria K. Fiero, 1998 This text is part of a six volume work which offers an overview of art music literature history and philosophy Book 5 explores Romanticism Realism and the 19th century world It looks at the Romantic view of the world industry and empire and the move towards modernism The text focuses on the Western tradition but also includes strong coverage of other cultures setting the arts of the West in the larger arena of world cultures including India the East Africa and Native America Throughout the chronological narrative there is a focus on universal themes integrating ideas and issues that relate to the human condition The coverage of literature art music and architecture is integrated into discussions of cultural and political influences aiming to create a logical presentation of broad subject matter

Renaissance Humanism, Volume 3 Albert Rabil, Jr., 2016-11-11 This book is a volume in the Penn Press Anniversary Collection To mark its 125th anniversary in 2015 the University of Pennsylvania Press rereleased more than 1 100 titles from Penn Press's distinguished backlist from 1899 1999 that had fallen out of print Spanning an entire century the Anniversary Collection offers peer reviewed scholarship in a wide range of subject areas *International Perspectives on Rethinking Evil in Film and Television* Tüysüz, Dilan, 2020-12-22 Aestheticization of evil is a frequently used formula in cinema and television However the representation of evil as an aesthetic object pushes it out of morality Moral judgments can be pushed aside when evil is aestheticized in movies or TV series because there is no real victim Thus situations such as murder or war can become a source of aesthetic pleasure Narratives in cinema and television can sometimes be based on a simple good evil dichotomy and sometimes they can be based on individual or social experiences of evil and follow a more complicated method Despite the various ways evil is depicted it is a moral framework in film and television that must be researched to study the implications of aestheticized evil on human nature and society *International Perspectives on Rethinking Evil in Film and Television* examines the changing representations of evil on screen in the context of the commonness normalization aestheticization marginalization legitimization or popularity of evil The chapters provide an international perspective of the representations of evil through an exploration of the evil tales or villains in cinema and television Through looking at these programs this book highlights topics such as the philosophy of good and evil the portrayal of heroes and villains the appeal of evil and evil's correspondence with gender and violence This book is ideal for sociologists professionals researchers and

students working or studying in the field of cinema and television and practitioners academicians and anyone interested in the portrayal and aestheticization of evil in international film and television
