Kid Opening Remark In Graduation Ceremony:

The Teachers' Lounge (Uncensored) Kelly Flynn,2012-11-08 This book was chosen by The Delta Kappa Gamma Society International as one of its Top 5 Must Reads for 2013 DKG is organized in 18 countries around the world and works to promote professional and personal growth for women educators and excellence in education Teachers step to the front of the classroom every day and do their darnedest to capture their student s attention and keep it But so many things get in the way unruly kids disagreeable parents homes so broken it is beyond imagining bureaucracy and red tape the influence of technology and the media a culture that celebrates misguided values and most intrusively government regulations that purport to improve teaching and learning but in fact are destroying it The Teachers Lounge Uncensored gives you a peek inside that classroom Kelly Flynn takes readers by the hand and says Come inside my school walk a mile in my halls and then we ll talk about education reform With breathtaking clarity and a healthy dose of humor Kelly Flynn shares with readers what all teachers know that when you teach in a public school there are days that you laugh days that you cry and days that you laugh until you cry Each student is surprisingly delightfully wildly different which is precisely why one size fits all education does not work Check out further praise for the book at the Reclaim Reform blog <http://bit.ly/1pD654W> *Appalachian Child Development* United States. Kids, Classrooms, and Capitol Hill Kelly Flynn, 2008 There s a battle going on in public education right now Education reform is every politician s favorite new cause But educators the experts in teaching and learning are being left out of the conversation And true education reform cannot happen until we see the issues clearly Edgy funny and poignant Kids Classrooms and Capitol Hill explores the issues big and small facing the key players in what sometimes feels like an impossible quest educating our nation s youth So before you choose sides read this book Chances are you won t hear this point of view from people who are actually working in schools If there s one thing educators are afraid of it s that they ll say the wrong thing and tarnish their beloved profession So they spout the party line and make nice zealously guarding the truth and the reputations of their schools But the truth is this This thing called education is complicated messy excruciatingly difficult humbling humorous aggravating and fleetingly rewarding To find out more about Kelly and her book visit her website YouTube channel or the Kids Classrooms and Capitol Hill Facebook page

A Child of Apartheid Noble F. Scheepers, 2023-05-10 This book is dedicated to the memory of my beloved daughter Sandi Pearl who passed on twenty two days before her fourteenth birthday in March 2002 The memories of her ministry to the choir Spiritual dancing and junior youth still today lingers on in the memories of many young people from the Factreton township whom she regarded as her peers and they in return looked up to her I also dedicate this book to my son Robin Medical Doctor and Psychiatrist who passed away after attending a psychiatrist s conference in a Drakensberg Mediclinic on October 25 2021 aged forty one His

mother Valda and I are still grieving this unprecedented and unexpected loss Robin in particular was keen to see this book published He was exemplary in life conduct ethics and intellect and made us his family and colleagues proud He was undoubtedly a product of the hope and success of a new South Africa However the circumstances leading to the passing on of my children in relation to the treatment they received at the respective medical institutions have been a blatant reminder to me that if they were of the white race the results may have been different No amount of litigation will bring them back but I am comforted that in Sandi s fourteen and Robin s forty one years they have left a legacy of goodness and hope relative to their exemplary achievements In addition their mother Valda and I live with beautiful memories of them **Second**

Chosen Delane Quiver Boyer,2013 This is my story of my memories thoughts and interpretations that I made from my experiences starting at the beginning of my age of awareness I grew up on the Pine Ridge Indian Reservation in South Dakota where I faced living in two different cultures to the time I joined the U S Army My story is not about the accumulation of wealth or being famous or being some savior It is about a simple dream My story starts from the time I remember reaching the age of awareness to the present I do not claim to be a writer so my story may not be a well planned or polished literary work that meets all the high standards of writing the story is about being on a path out of poverty I was raised by my grandparents from a baby to the time I joined the U S Army for some reason my mother left me to be raised by her parents They were poor people seasonal laborers who lived with a strong belief in their God We lived in a two room shack with tarpaper siding that had not inside toilet running water or electricity That was our home They were always short of money to buy necessities and usually faced hunger However they were a good couple and had a faith to believe in God However I was fortunate to get a good education and had the opportunity to join the army for a career I experienced new horizons that exposed me to new learning s that tempered my attitude I wish to share my experiences and thoughts from traveling along a path chosen with especially the Lakota youth and the non Lakota youth what have written in this book Pilamaya Thank you
