Women Anne R. Allen,2019-06-13 The Leaders of the Twenty First Century was the original title for the manuscript that branched into three and became Food of Love The Lady of the Lakewood Diner and The Gatsby Game It s a terrible title of course because it sounds too dry and pretentious for a bunch of comedies But the phrase has excellent comic credentials It comes from Mickey Mouse himself The original Mickey Mouse Club TV program always signed off with the inspiring proclamation that the show was dedicated to you the leaders of the twenty first century When my little girlfriends and I giggled in our basement rec rooms mesmerized by the addictive new show it never occurred to us the announcer wasn t talking to us as much as to our brothers We didn t see any women leaders around us but somehow the magic of Disney was going to propel us all to new heights My best friend planned to be a doctor and I wanted to be a famous writer Or maybe princess of the world The heroines of these three novels Congresswoman Rev Cady Stanton Princess Regina of San Montinaro diner owner Dodie Hannigan Codere rock star Morgan le Fay and sporting goods CEO Nicky Conway are powerful yet vulnerable and I hope funny women who represent those Baby Boomer women who watched the Mickey Mouse Club with me Our mothers who fought WWII on the home front only to be lured out of the workplace to a life of suburban housewifery often saw our generation as entitled and self involved But as my character Dodie Hannigan said in the first version of the manuscript We re called Boomers but it wasn t us that did the booming that was our parents We just showed up nine months

later and got plunked in front of those brand new TVs We were born at the dawn of the television age to become Madison Avenue's most coveted target demographic Advertising campaigns and kid centric programming made us the first generation to be given a collective identity separate from family or community And for good or ill they made us who we have become women who have demanded to be treated as equals by the other half of the human race I know it's still something of a taboo to write novels especially romantic comedies about women of a certain age but Boomer women have been breaking rules since the Mickey Mouse Club proclaimed our destiny I hope you'll enjoy their stories Anne R Allen Los Osos CA 2014

Time, 2002 Going Down Swinging Billie Livingston, 2010-05-14 A remarkable debut novel and bittersweet tale of the unflinching love and devotion between a mother and daughter Razor sharp and darkly funny Going Down Swinging chronicles two years in the life of the Hoffmans Eileen Hoffman has just told Danny her con artist lover and father of her youngest daughter Grace to get out for good Once a teacher Eileen lived a middle class life but her taste in men coupled with a predilection for pills and booze has brought her down Desperate to prevent her family from sinking deeper into poverty Eileen reluctantly goes on welfare Eventually she turns to the only friends she has left hustlers and hookers to learn how a woman makes fast money no investment necessary With Eileen on welfare and her older daughter Charlotte a teenaged runaway child welfare authorities descend on the Hoffmans As Eileen trails through several attempts at drying out the well intentioned Children's Protection Society finally intervenes to apprehend Grace With the threat of prolonged separation now a stark reality Eileen and Grace must rally to confront their demons with grit determination and humour Unblinkingly observed and brilliantly written Going Down Swinging is about the powerful bond between mother and child And with her skilful narrative interplay Billie Livingston illustrates poignantly how the truth of our stories lies not so much in the black and white as it does in the grey
