Design, History and Time Zoë Hendon,Anne Massey,2019-02-21 Design History and Time reflects on the nature of time in relation to design in both past and contemporary contexts In contrast to a traditional design historical approach which emphasises schools and movements this volume addresses time as a continuum and considers the importance of temporality for design practice and history

Contributors address how designers design historians and design thinkers might respond to the global challenges of time the rhythms of work and the increasing speed of life and communication between different communities They consider how the past informs the present and the future in terms of design the importance of time based design practices such as rapid prototyping and slow design time in relation to memory and forgetting and artefacts such as the archive for which time is key and ponder the design of time itself Showcasing the work of fifteen design scholars from a range of international contexts the book provides an essential text for thinking about changing attitudes to the temporal

The Content Trap Bharat Anand, 2016-10-18 My favorite book of the year Doug McMillon CEO Wal Mart Stores Harvard Business School Professor of Strategy Bharat Anand presents an incisive new approach to digital transformation that favors fostering connectivity over focusing exclusively on content NAMED ONE OF THE BEST BOOKS OF THE YEAR BY BLOOMBERG Companies everywhere face two major challenges today getting noticed and getting paid To confront these obstacles Bharat Anand examines a range of businesses around the world from The New York Times to The Economist from Chinese Internet giant Tencent to Scandinavian digital trailblazer Schibsted and from talent management to the future of education Drawing on these stories and on the latest research in economics strategy and marketing this refreshingly engaging book reveals important lessons smashes celebrated myths and reorients strategy Success for flourishing companies comes not from making the best content but from recognizing how content enables customers connectivity it comes not from protecting the value of content at all costs but from unearthing related opportunities close by and it comes not from mimicking competitors best practices but from seeing choices as part of a connected whole Digital change means that everyone today can reach and interact with others directly We are all in the content business But that comes with risks that Bharat Anand teaches us how to recognize and navigate Filled with conversations with key players and in depth dispatches from the front lines of digital change The Content Trap is an essential new playbook for navigating the turbulent waters in which we find ourselves Praise for The Content Trap A masterful and thought provoking book that has reshaped my understanding of content in the digital landscape Ariel Emanuel co CEO WME IMG The Content Trap is a book filled with stories of businesses from music companies to magazine publishers that missed connections and could never escape the narrow views that had brought them past success But it is also filled with stories of those who made strategic choices to strengthen the links between content and returns in their new master plans The book is a call to clear thinking and reassessing why things are the way they are The Wall Street Journal

Shut Up and Write! Judy Bridges, 2011-09 *Thinking Popular Culture* Tara Brabazon, 2008 This book is about war and popular culture and war in popular culture Tara Brabazon summons probes questions and reclaims popular culture challenging the assumptions of war whiteness Christianity modernity and progress that have dominated our lives since September 11 It is essential reading for any scholar of cultural studies and popular culture media and journalism creative writing and terrorism studies
