Reuben Zahler, 2013-12-19 Murder street brawls marital squabbles infidelity official corruption public insults and rebellion
are just a few of the social layers Reuben Zahler investigates as he studies the dramatic shifts in Venezuela as it transformed
from a Spanish colony to a modern republic His book *Ambitious Rebels* illuminates the enormous changes in honor law and
political culture that occurred and how ordinary men and women promoted or rejected those changes In a highly engaging
style Zahler examines gender and class against the backdrop of Venezuelan institutions and culture during the late colonial
period through post independence known as the middle period His fine grained analysis shows that liberal ideals permeated
the elite and popular classes to a substantial degree while Venezuelan institutions enjoyed impressive levels of success
Showing remarkable ambition Venezuela s leaders aspired to transform a colony that adhered to the king the church and
tradition into a liberal republic with minimal state intervention a capitalistic economy freedom of expression and religion and
an elected representative government Subtle but surprisingly profound changes of a liberal nature occurred as evidenced by
evolving standards of honor appropriate gender roles class and race relations official conduct courtroom evidence press
coverage economic behavior and church state relations This analysis of the philosophy of the elites and the daily lives of
common men and women reveals in particular the unwritten unofficial norms that lacked legal sanction but still greatly
affected political structures Relying on extensive archival resources Zahler focuses on Venezuela but provides a broader
perspective on Latin American history His examination provides a comprehensive look at intellectual exchange across the
Atlantic comparative conditions throughout the Americas and the tension between traditional norms and new liberal
standards in a postcolonial society *"The" Library of Cornell University* Cornell University Library, 1882 **Monthly**
